# Funding Recommendations

See handout for details

## **Recommended sites to be funded in ranked order**

- Sites on the “waitlist” to be funded in order as adequate funds become available
- Reallocate \$310,400 from Navarro County to the MPA, pending communication with County officials
- Funding recommendations are based on opinion of probable costs provided by the “Deployment Dream Team” (Kimley-Horn and Associates) or experienced public agency staff
  - Actual costs unknown until vendor procurement, to be conducted by NCTCOG on behalf of awarded entities

## **Use of \$65,600 in RTC Local funds to award request in Erath County**

- Will replace RTC Local with FHWA Funds if obligated

## **Reopen the CFP for 3 rural western counties upon FHWA obligation of funds**

# Texas EV Infrastructure Plan

Texas implementation of the National Electric Vehicle Infrastructure (NEVI) Plan re-approved in August 2025

## Phase 1: Along Alternative Fuel Corridors

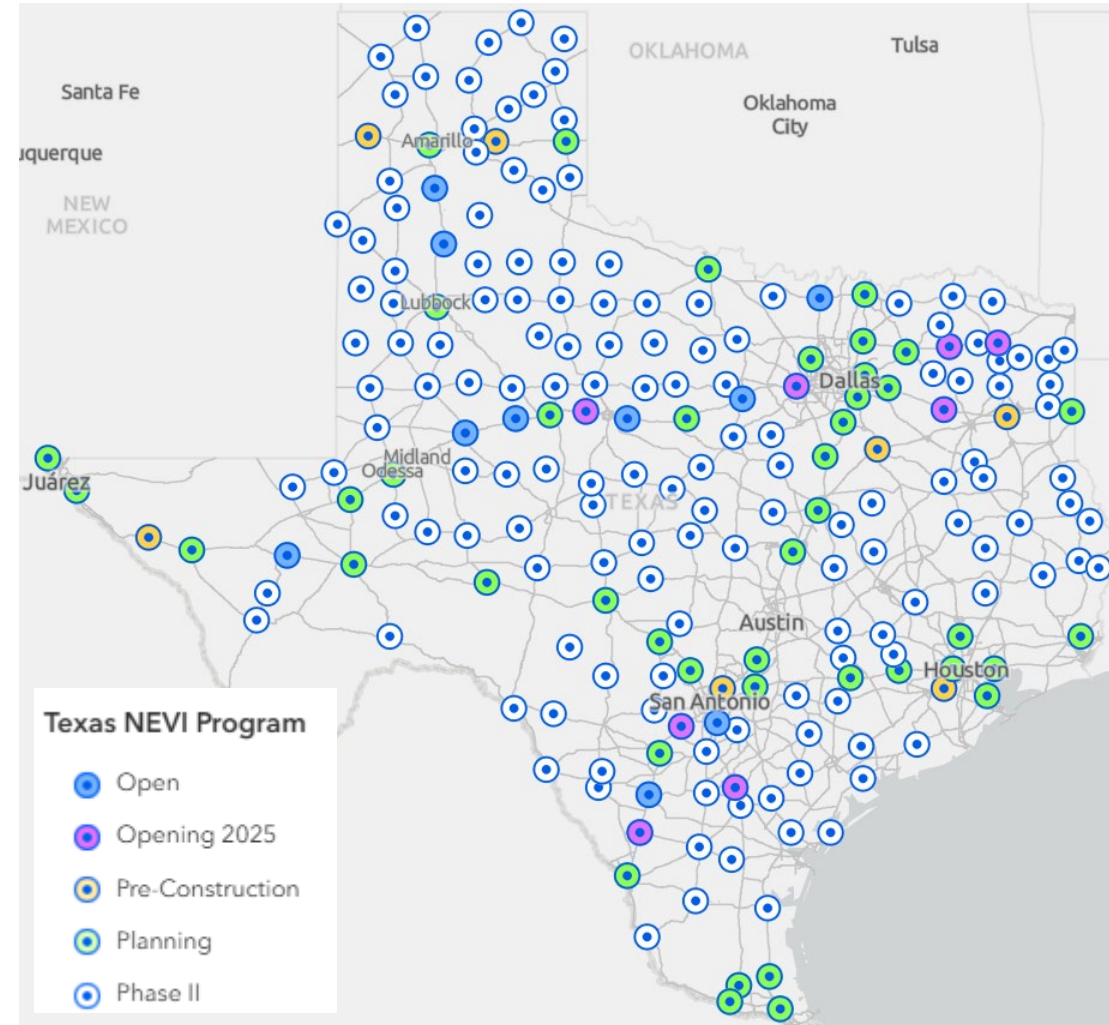

- Site Selection Complete

## Phase 2: Two parallel approaches

1. Rural county seats
  - NCTCOG counties impacted: Erath, Hood, Johnson, Kaufman, Palo Pinto, Somervell, and Wise
2. Urbanized areas, advised by Metropolitan Planning Organizations (MPOs)
