iSWM certified communities' participation in the Public Works Program

Discussion iSWM certified communities' participation in the Public Works Program.

Other Business

We are looking for iSWM implementation review volunteers

The IIS review board consists of three (3) members that have either served on the IIS for a minimum of two (2) years or represent a community that has implemented iSWM. The review board positions rotate every two (2) years and are filled on a voluntary basis

Current review board as of April – 2018

- Kelly Dillard
- Ranjan Muttiah

Public Works Program Updates

Public Works Council

- The Council approved NCTCOG to invoice all communities for the Regional Public Works Program Cost-Shares so everyone has the opportunity to participate.

Sustainable Public Rights of Way (SPROW) Subcommittee

- Working towards a Best Management Practices guidebook. They will be focusing on Landscape Planning/Maintenance and will begin discussing BMPs at the next meeting.
