

Progress North Texas 2021

BRIAN WILSON

COMMUNICATIONS SUPERVISOR

Transportation State of the Region

Annual report on how the transportation system is meeting the needs of almost 8 million

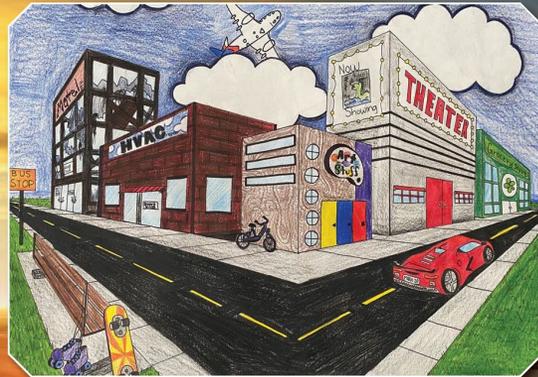

Organized around a theme –
Transportation for All

Uses performance measures to help tell the story

North Central Texas Council of Governments

2021 Progress North Texas

Transportation For All

Winner!
**Angie
Anderson,
Cleburne
High
School**

What will you find?

Roadways

Public transit

Active transportation

Aviation

Freight

Safety

Air Quality

Public Involvement

COVID-19

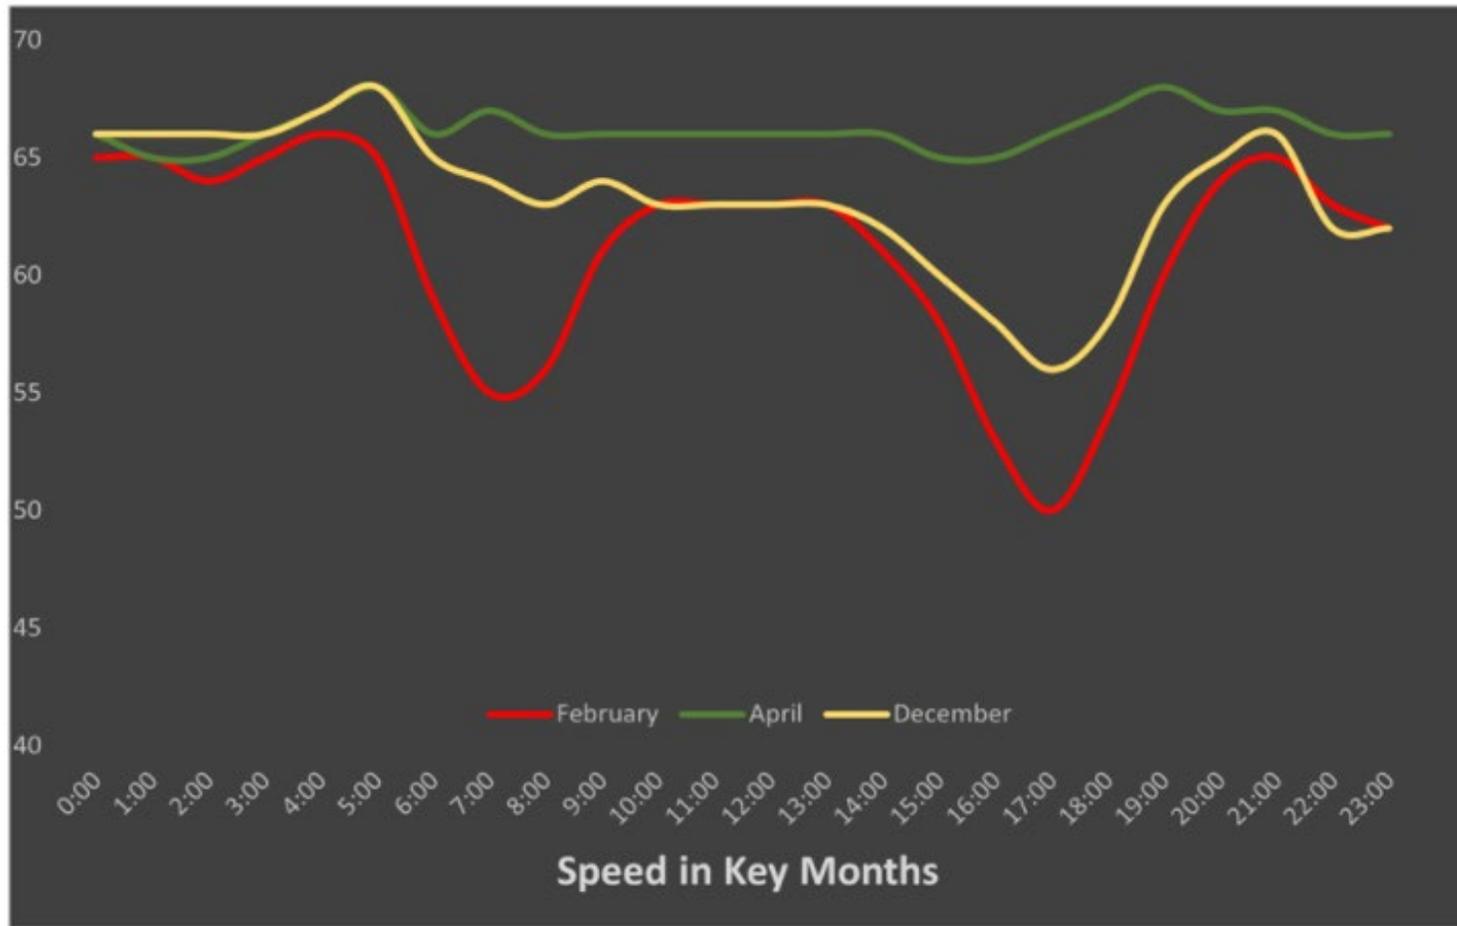

Hit virtually every industry in practically every city and county

All had to adapt

Affected different aspects of transportation in different ways

Congestion

Safety

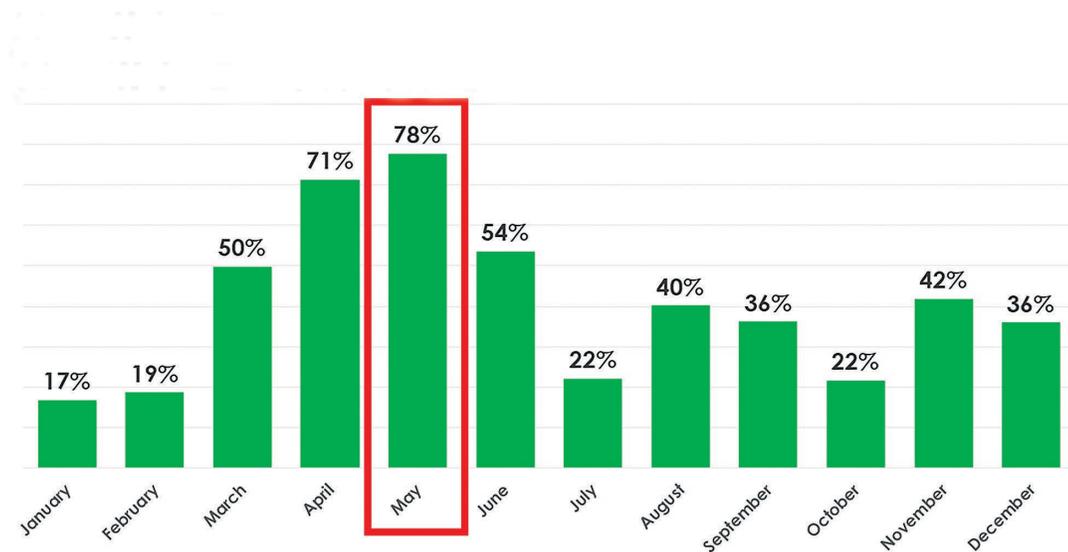

Fewer vehicles

15% Drop in wrecks

5% More fatalities

Active Transportation

- ▶ The region's bicycle-pedestrian trails welcomed more cyclists, walkers and runners every month in 2020, as compared to 2019.
- ▶ Activity peaked in May, with a 78% increase, remaining high for the rest of the year.

Aviation

- ▶ Air Cargo was a bright spot
- ▶ DFW Airport briefly became world's busiest airport during pandemic
- ▶ Air travel is coming back

Transit Helped

Essential workers

Meal delivery

Personal Protective Equipment

Imagery Provided By Getty

Public Involvement

Virtual engagement not new

We had a lot of the same tools:

- ▶ Live streaming of meetings
- ▶ Social media
- ▶ Online input

Pandemic made us all virtual
