

LITTER JUST KIND OF HAPPENS RIGHT?

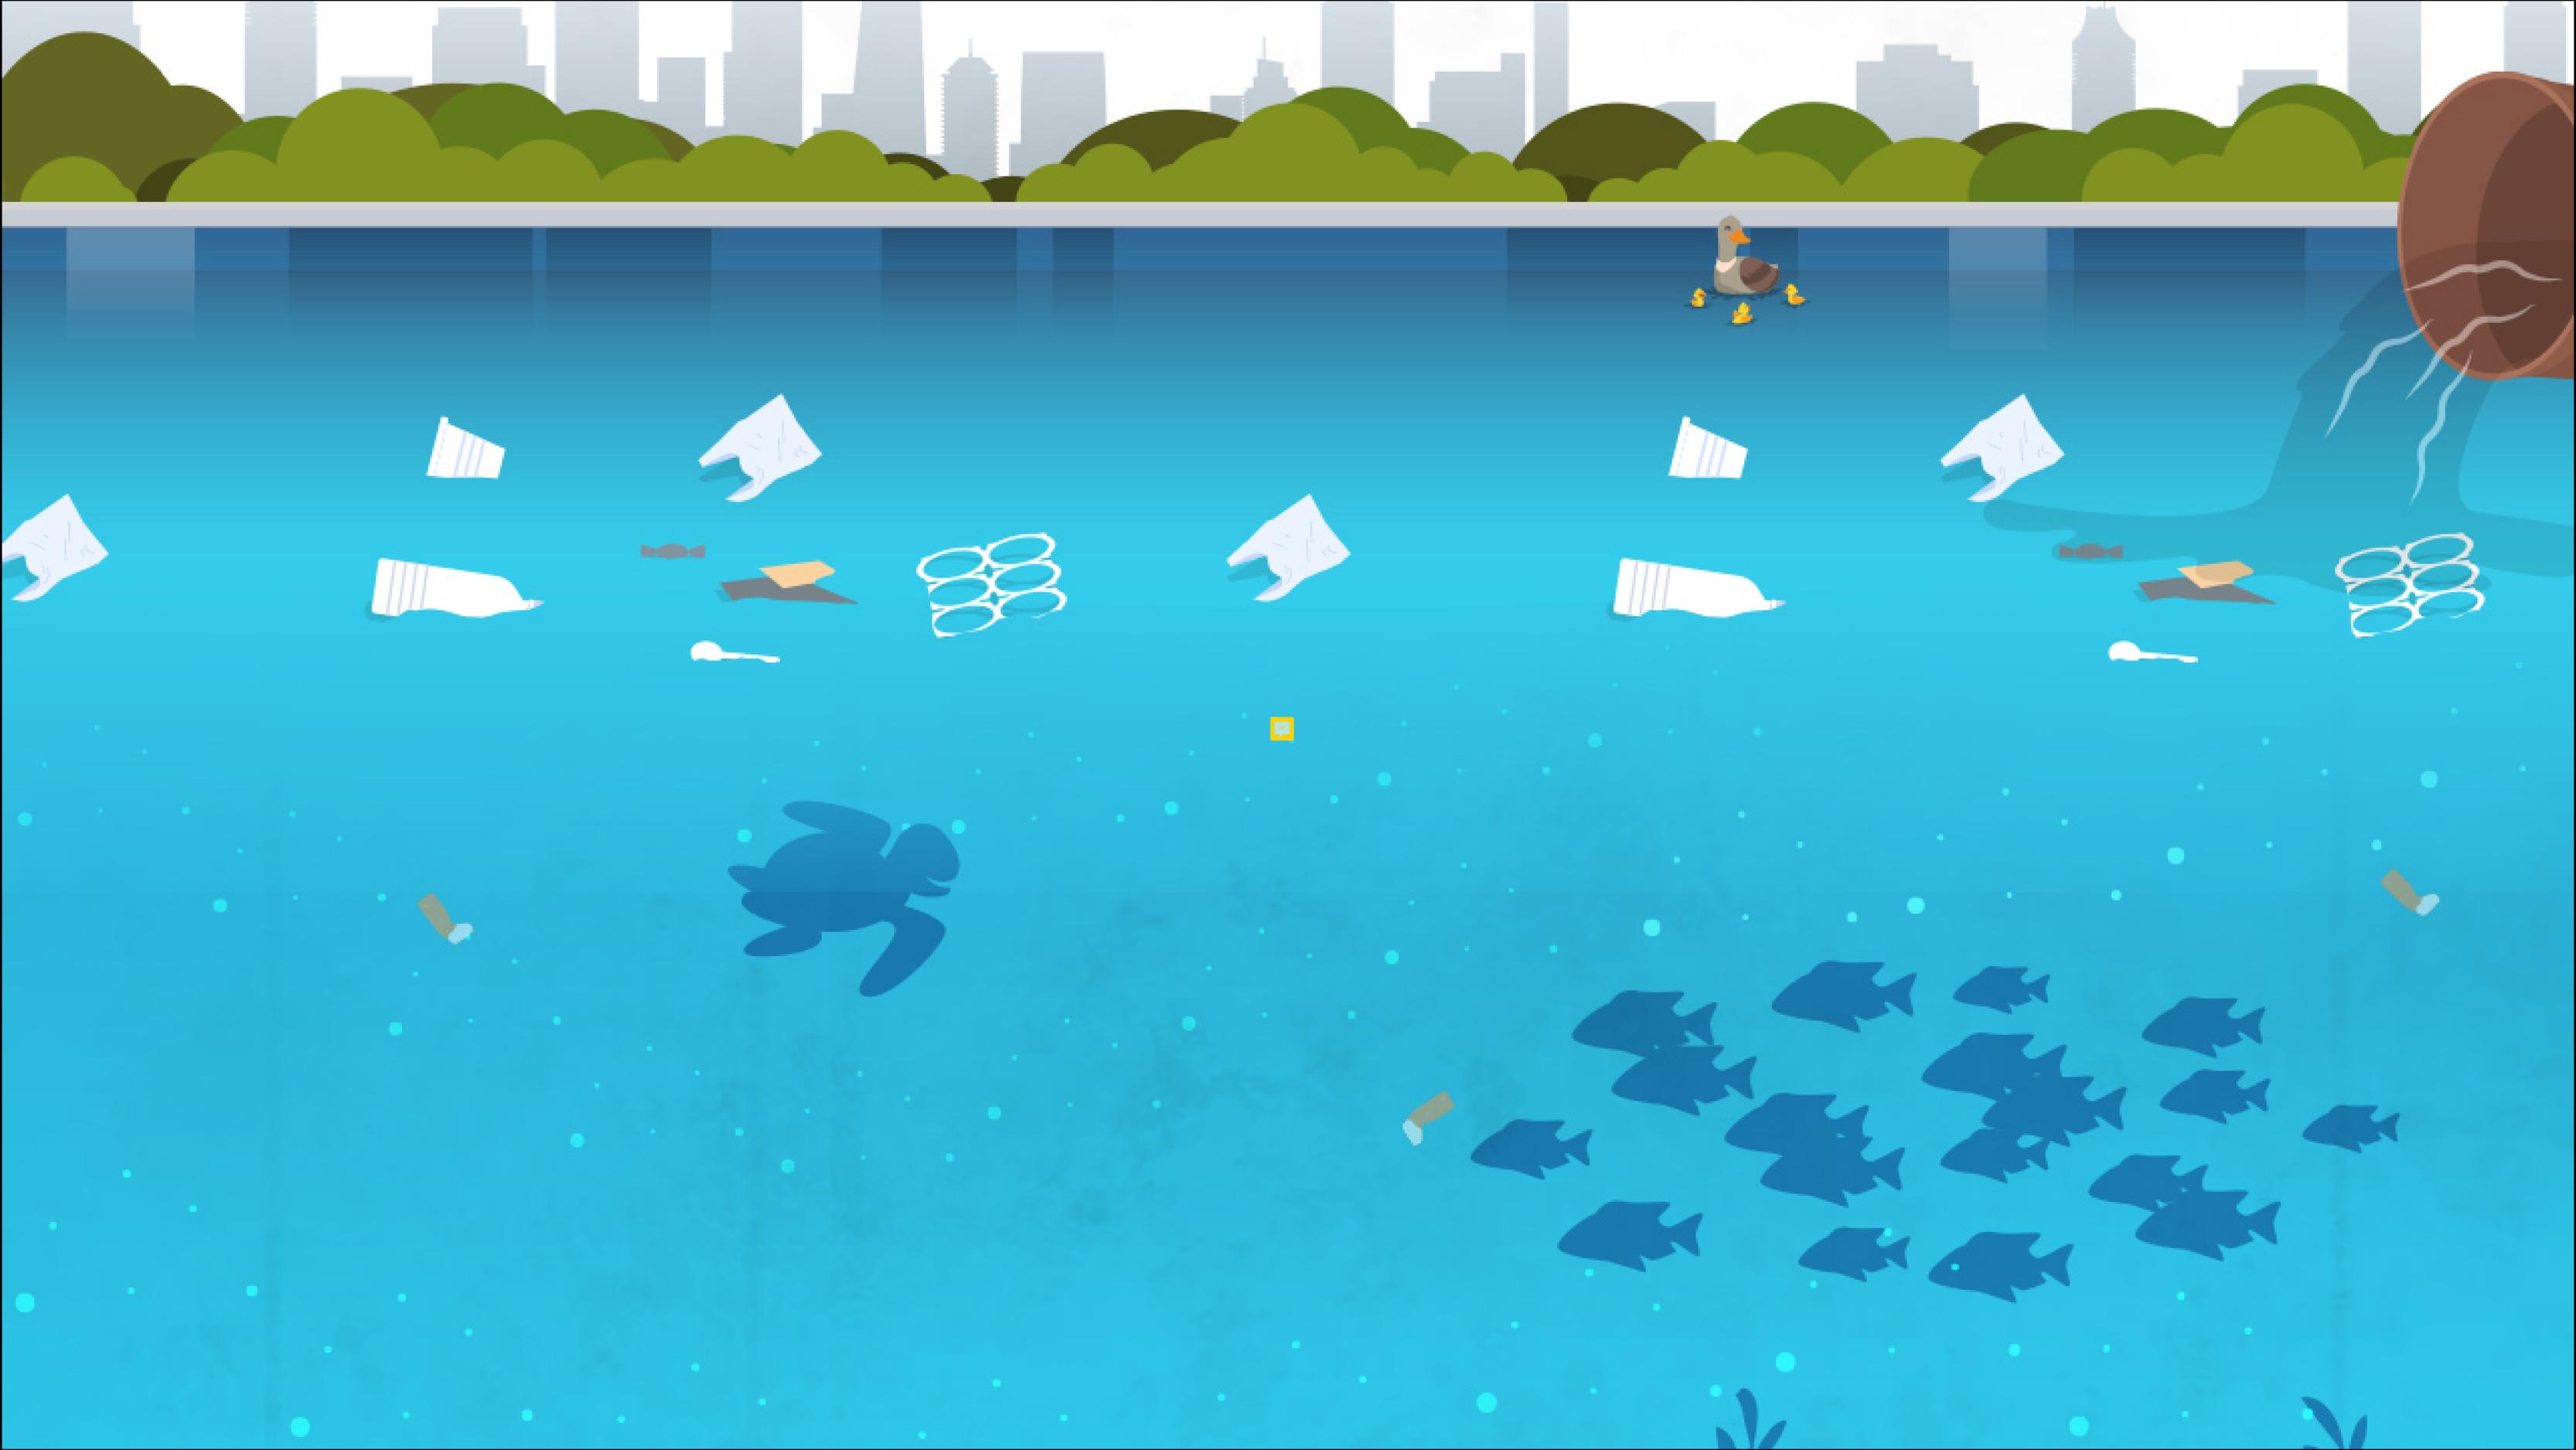

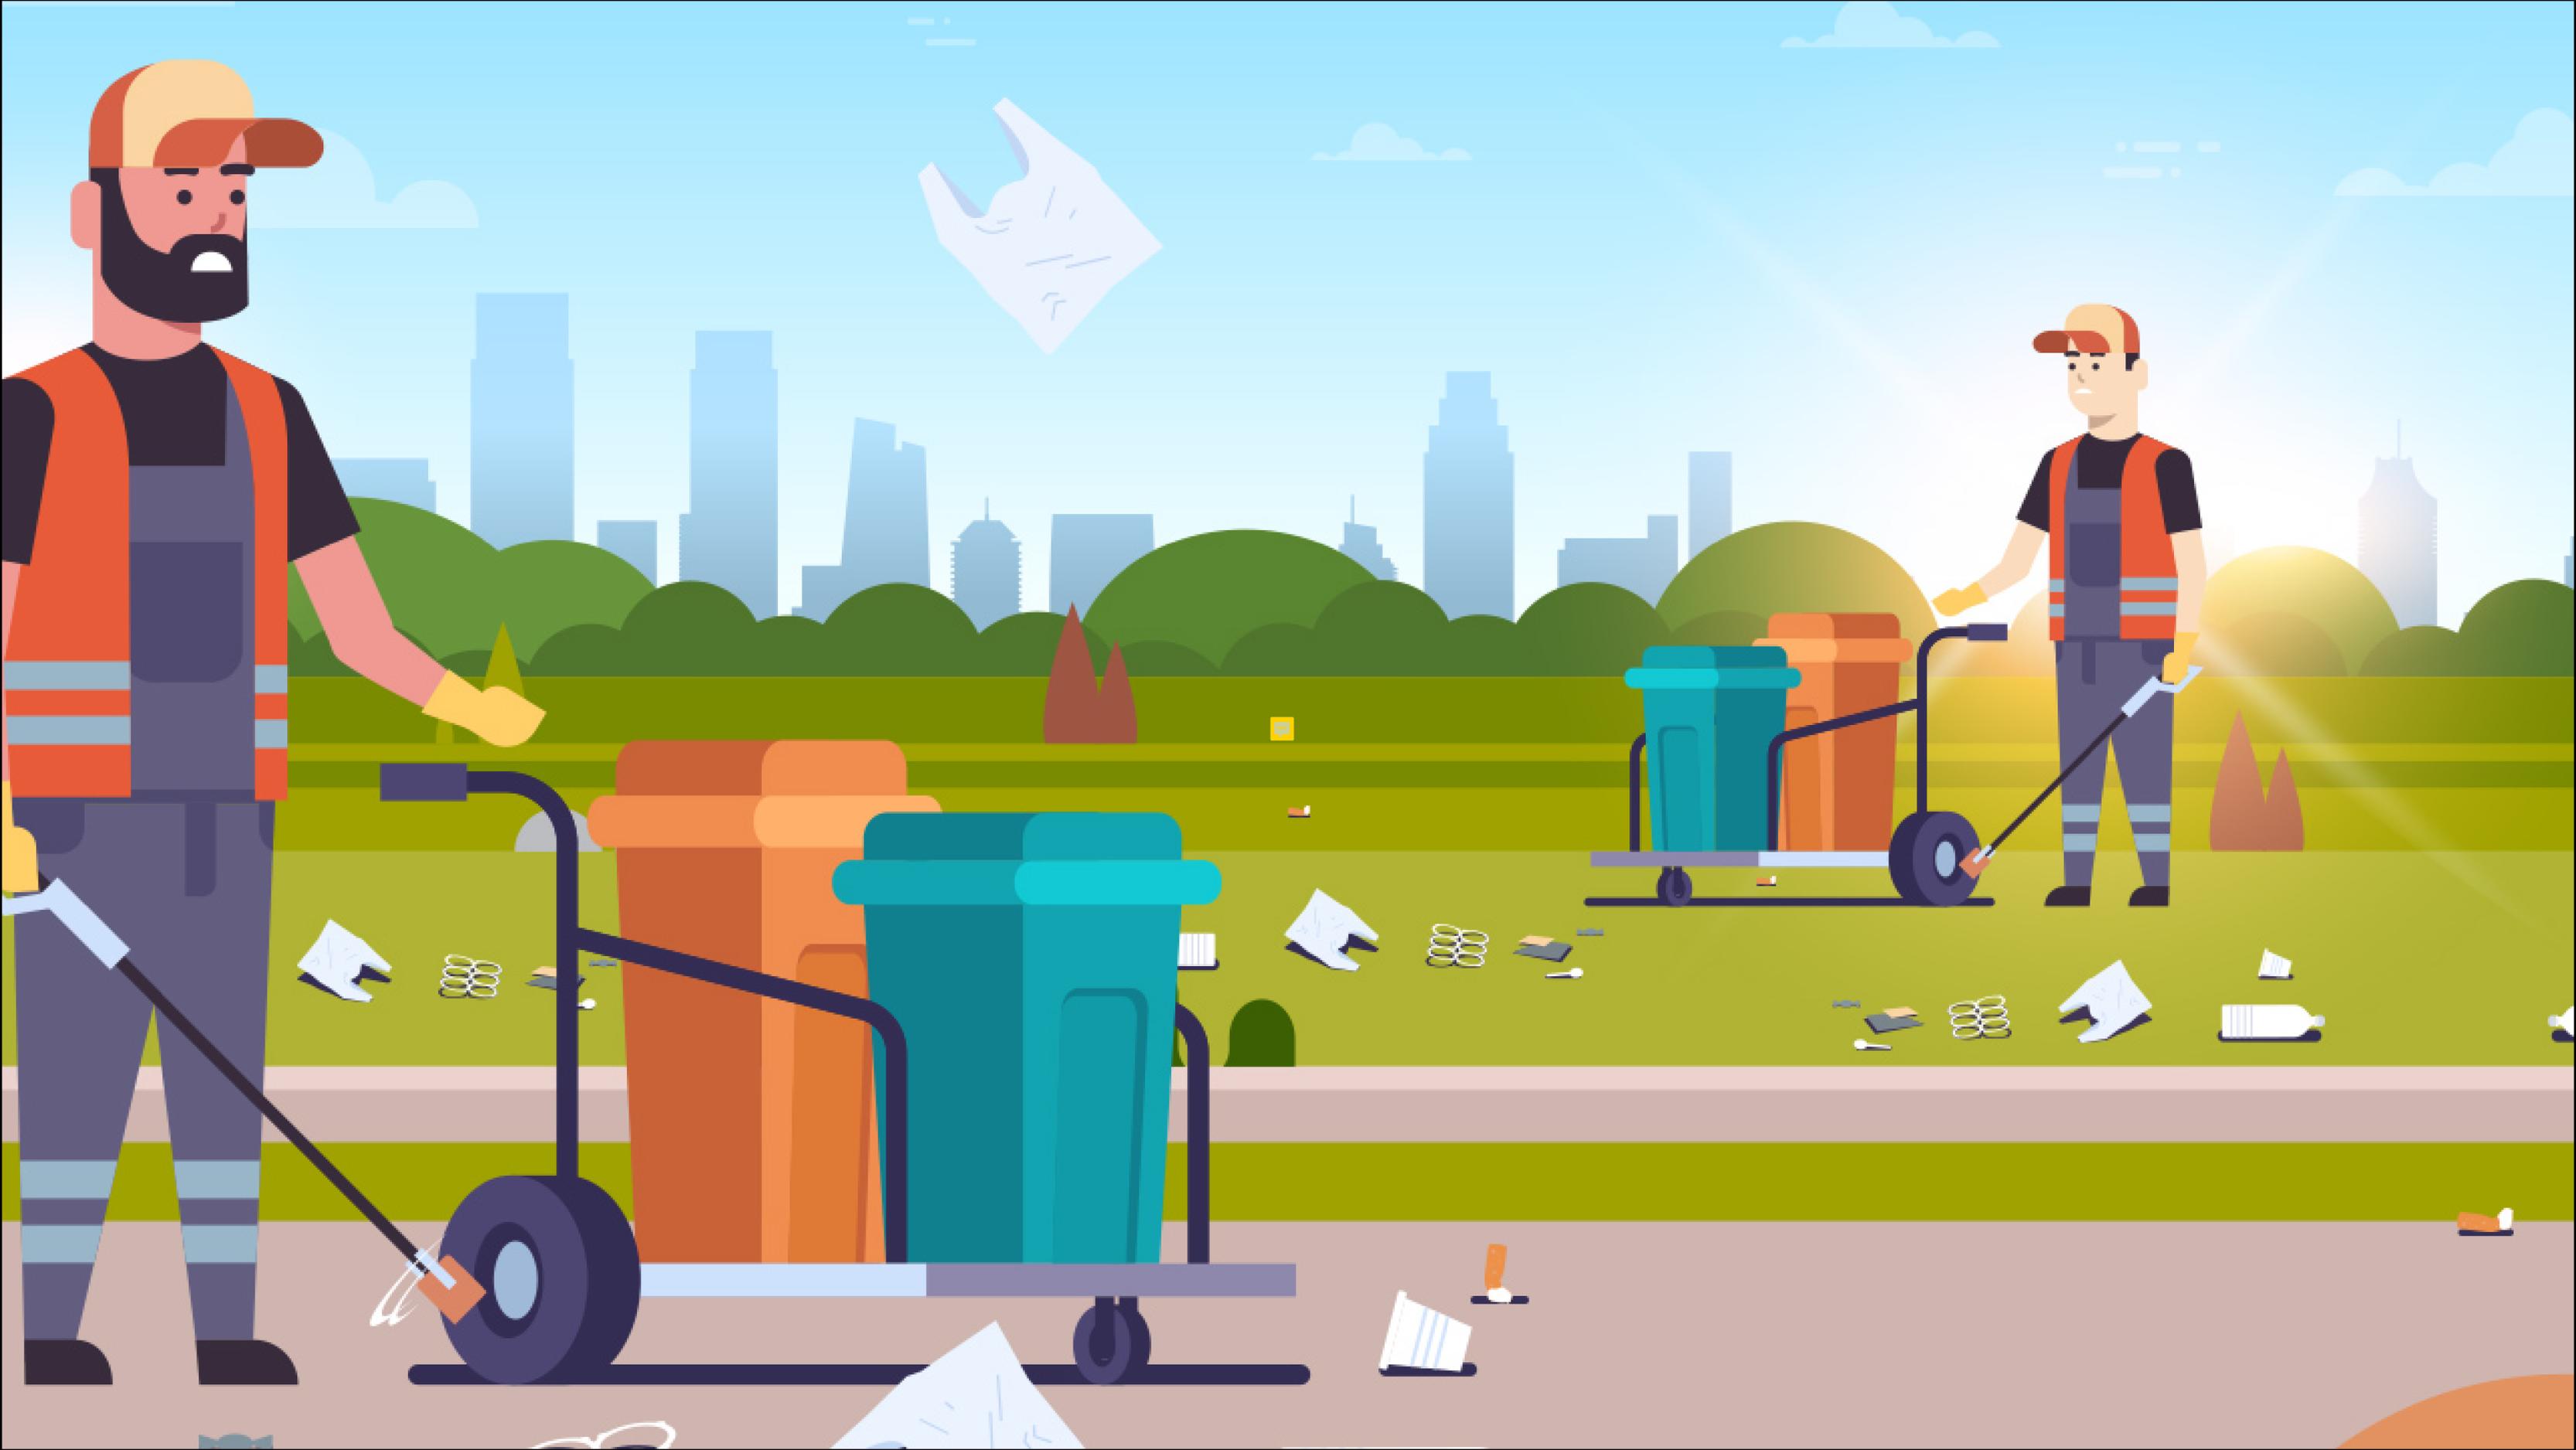

NOT TO MENTION IT POLLUTES OUR DRINKING WATER

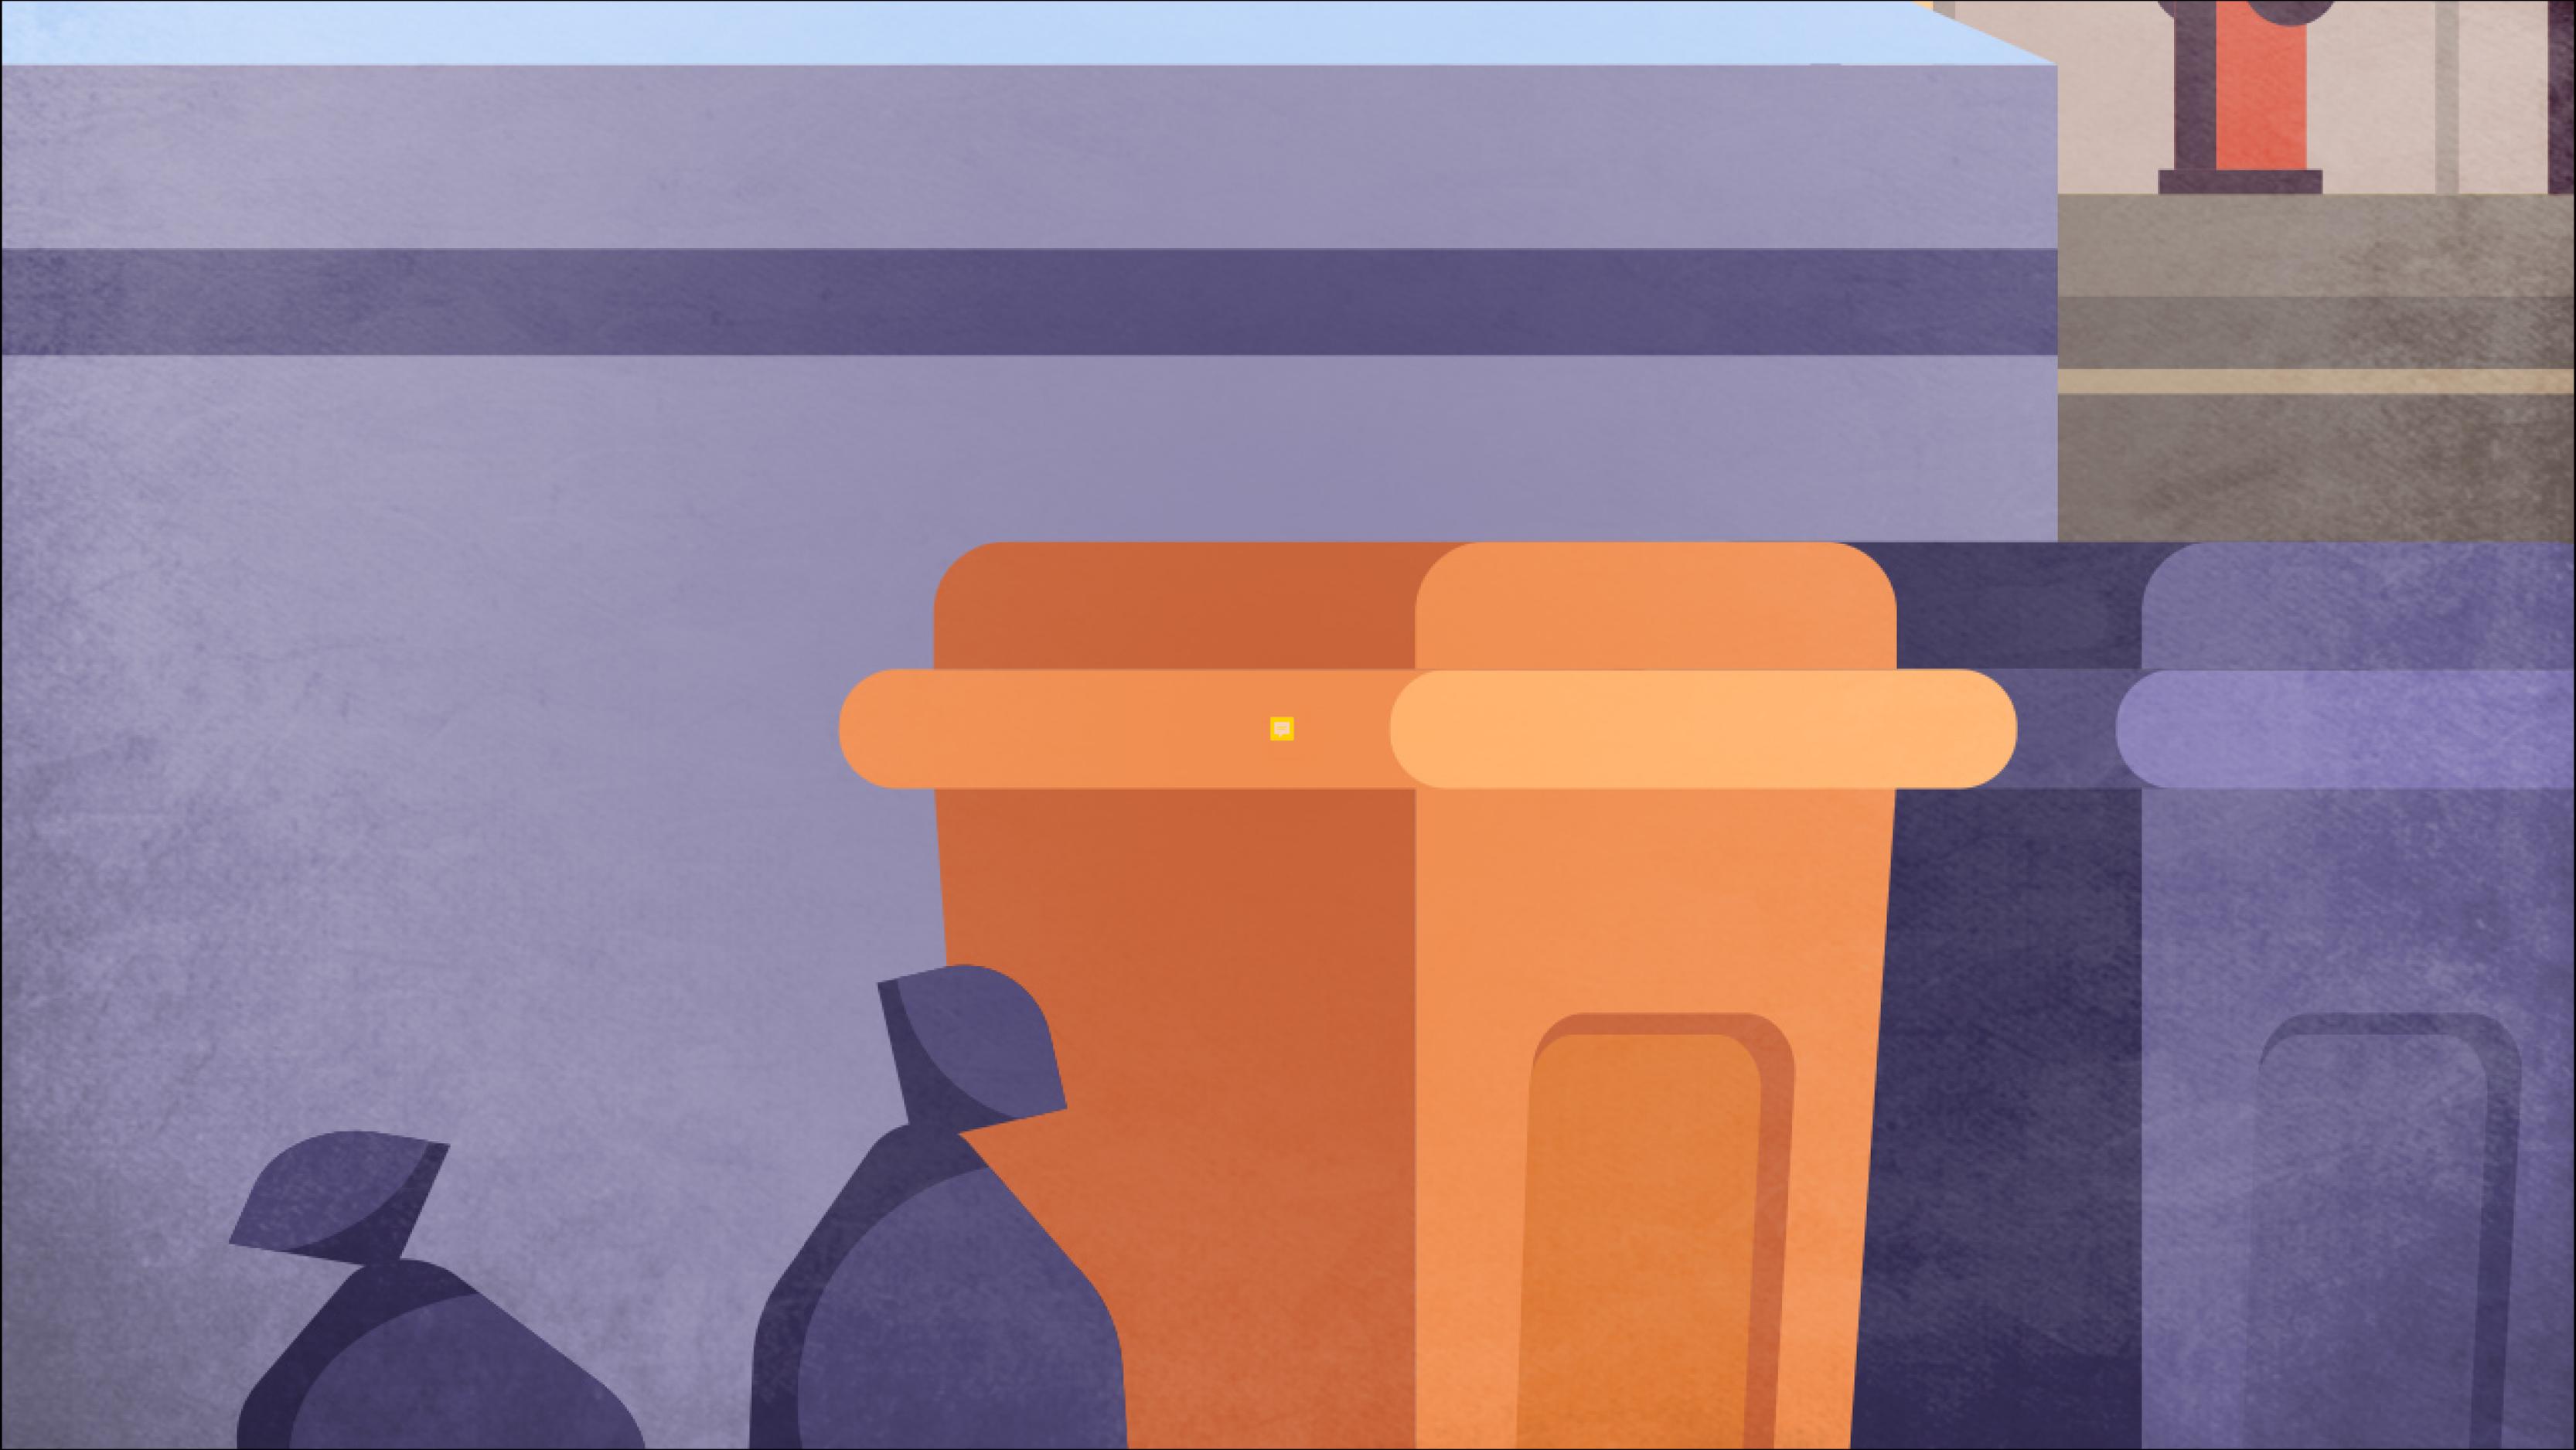

An illustration of a suburban neighborhood. In the background, there are several houses with different colored roofs and walls. A street with a sidewalk runs through the middle. In the foreground, a person wearing a red long-sleeved shirt and dark pants is walking towards the right. The ground is littered with various pieces of trash, including a white paper cup, a brown paper bag, and some crumpled paper. To the left, there are two trash bins, one orange and one purple. The overall scene is meant to illustrate the concept of litter and how to prevent it.

HERE ARE SOME WAYS YOU CAN DO YOUR PART
TO HELP STOP LITTER BEFORE IT STARTS

An illustration of a city street scene. In the foreground, two people are walking towards the right, each carrying a large blue trash bag. The person in front is wearing a yellow cap and a red shirt, while the person behind is wearing a green shirt and a yellow cap. The background features colorful buildings in shades of green, yellow, and blue, with windows and a fire hydrant visible on the sidewalk. A semi-transparent white banner with teal text is overlaid across the middle of the image.

AVOID DAYS THAT ARE EXCEPTIONALLY WINDY AS THIS CAN CAUSE TRASH TO BLOW OUT AND AROUND.
