

WHEREAS, the planning process used in development of the *2023 Transportation Conformity* was conducted in accordance with NCTCOG's approved public involvement procedures required under 23 USC 134, and Transportation Conformity Regulations, including presentations at public meetings and the allowance of a 30-day public comment period prior to transportation conformity approval; and,

WHEREAS, the air quality *2023 Transportation Conformity* review has indicated that *Mobility 2045: The Metropolitan Transportation Plan for North Central Texas – 2022 Update* meets the transportation conformity-related requirements of the State Implementation Plan, the Clean Air Act as amended on November 15, 1990, and the Transportation Conformity Regulations; and,

WHEREAS, NCTCOG's Surface Transportation Technical Committee has recommended Regional Transportation Council approval of the *2023 Transportation Conformity*.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

- Section 1.** The Regional Transportation Council approves the results of the *2023 Transportation Conformity*, which demonstrate that implementation of *Mobility 2045: The Metropolitan Transportation Plan for North Central Texas – 2022 Update* and the *2023-2026 Transportation Improvement Program* will not cause any new violations of the 2008 and 2015 8-hour ozone NAAQS, increase the frequency or severity of violations of the standards, or delay timely attainment of the standards. This analysis uses latest available information and an applicable EPA-approved emissions estimation model and demonstrates Transportation Control Measures in approved State Implementation Plans are implemented in a timely fashion.
- Section 2.** Results of the *2023 Transportation Conformity* fulfill the requirement that transportation conformity be performed within two years of the effective date for new Motor Vehicle Emissions Budgets.
- Section 3.** The development of the *2023 Transportation Conformity* was conducted in accordance with NCTCOG's approved Public Participation Plan, including presentation of draft recommendations and analysis results to the public for comment prior to Regional Transportation Council adoption.
- Section 4.** The latest public involvement information for the *2023 Transportation Conformity* will be transmitted to the Federal Highway Administration, Federal Transit Administration, Environmental Protection Agency, Texas Department of Transportation, and the Texas Commission on Environmental Quality, as well as posted on the NCTCOG website.
- Section 5.** This resolution will be transmitted to the Federal Highway Administration, Federal Transit Administration, Environmental Protection Agency, Texas Department of Transportation, Texas Commission on Environmental Quality, Dallas Area Rapid Transit, Fort Worth Transportation Authority, Denton County Transportation Authority, North Texas Tollway Authority, Collin County Toll Road Authority, and all impacted local governments, as well as posted on the NCTCOG website.
- Section 6.** This resolution shall be in effect immediately upon its adoption.

Gyna M. Bivens

Gyna Bivens, Chair
Regional Transportation Council
Mayor Pro Tem, City of Fort Worth

I hereby certify that this resolution was adopted by the Regional Transportation Council of the North Central Texas Council of Governments for the Dallas-Fort Worth Metropolitan Area on November 9, 2023.

Rick Bailey, Secretary
Regional Transportation Council
Commissioner, Johnson County
