# **Update on Meandering Road, Las Vegas Trail and SH 183**

**NAS Fort Worth JRB Regional Coordination Committee  
February 7, 2019**

# Meandering Road

NAS-JRB Fort Worth East Gate Entrance

# Proposed Improvements for Meandering Road

# Importance of Meandering Road

- Serves as main access point for the NAS Fort Worth, JRB east gate entrance
- 1,800 vehicles per day enter through east gate
- Higher traffic counts on drill weekends
- Additional roadway users include FMC Carswell, YMCA Camp Carter, Burger's Lake, and gas well traffic

**\$1,000,000 identified for preliminary design and engineering of road improvements.**

# Need for Improvements

# Preliminary Design Concepts

## Meandering Road, LTJg Barnett Road, Gillham Road and Brocks Lane Intersection

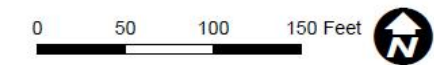

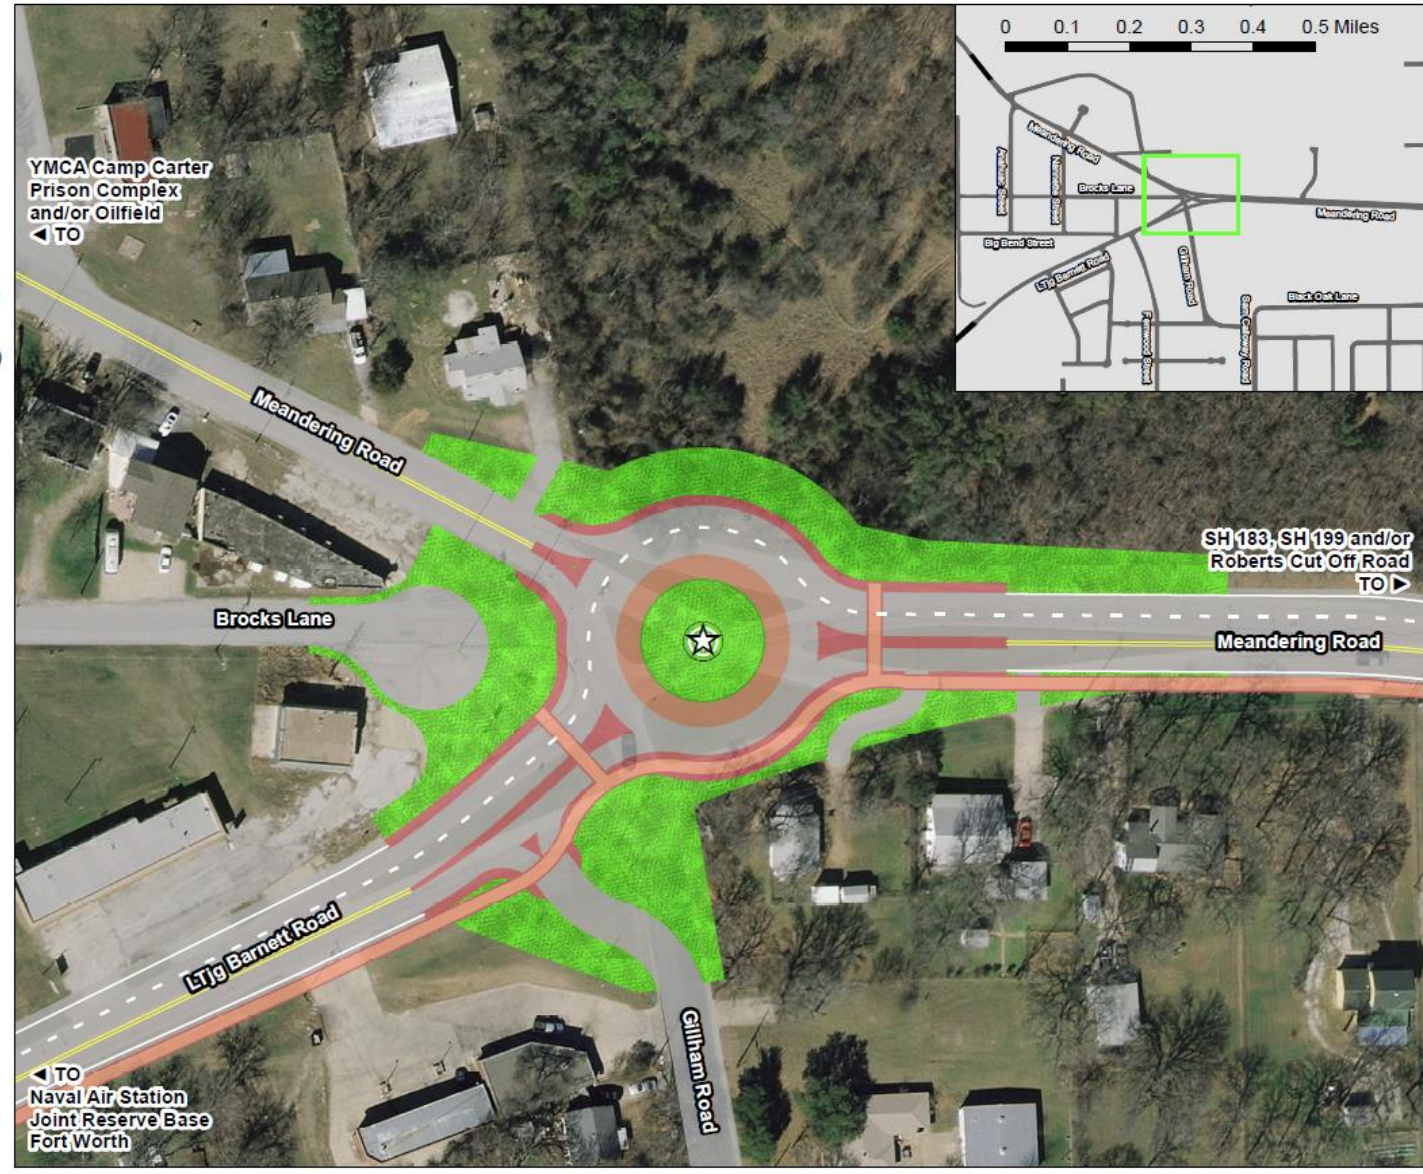

### Roundabout Alternative

**Basic Design Assumptions:**  
3-lane Meandering Road (2 westbound/1 eastbound)

**Considerations:**  
NAS JRB Access  
YMCA Camp Carter Access  
Local Residential Traffic  
Traffic Control Delay  
Driver Expectations  
Drainage

**Pros:**  
Simplifies Current Configuration  
Reduced Traffic Control Delay  
Opportunity for Oversized Vehicles to Turn Around  
Dedicated Pedestrian/Bicycle Movement  
Place-Making/Monument Within Roundabout

**Cons:**  
Grade Changes Considerably in Roundabout  
Roundabout Configuration Learning Curve  
Brocks Lane Dead Ends  
Gillham Road Limited to Right-In/Right-Out Access  
Limited Driveway Access Near Roundabout  
Eastbound Meandering Road Crosses Two Lanes

# Meandering Road Funding

Engineering/Design (FY2017):

- CMAQ \$500,000
- STBG \$500,000
- TDC match \$200,000

Construction:

- CMAQ \$6,000,000
- STBG \$7,000,000

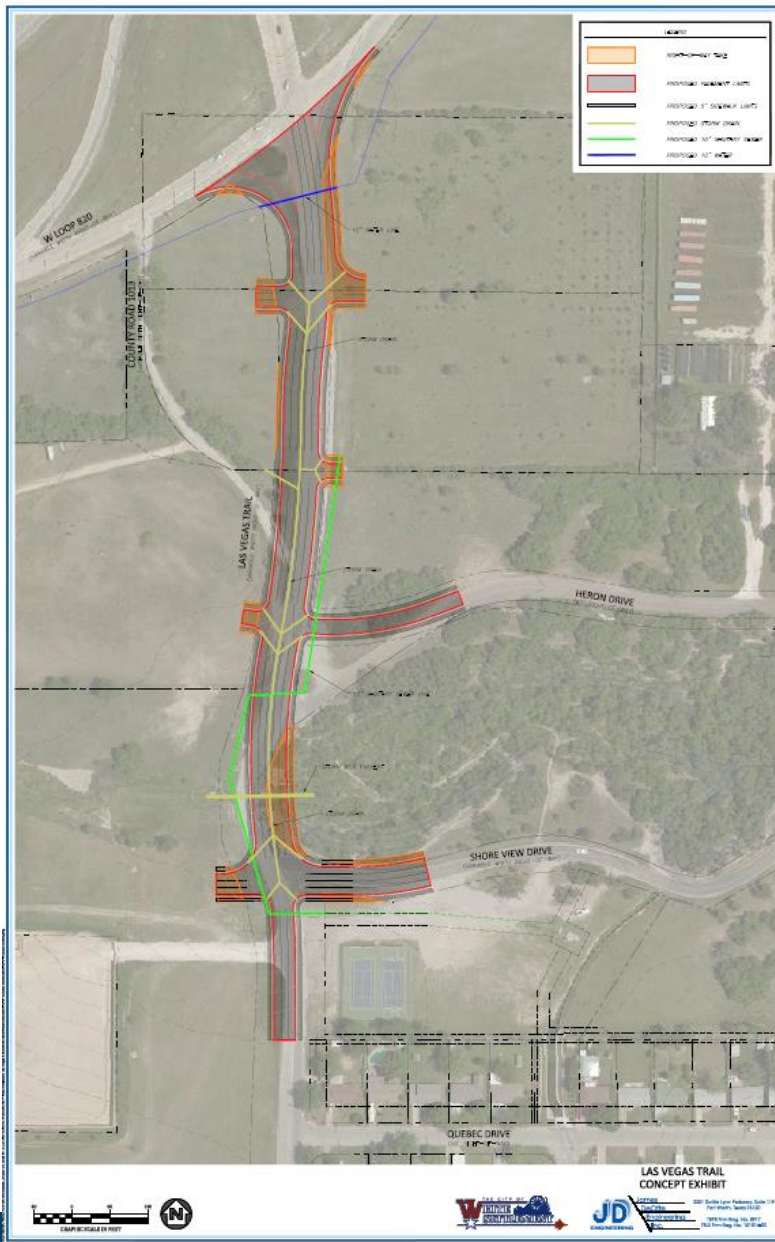

Total Regional Transportation Council Funding:

- \$14,200,000

# Las Vegas Trail

- Adding roadway capacity
- Improved intersections at Heron Drive and Shore View Drive
- Funding: \$6 million (\$4.8 m. federal, \$1.2 m. local match)
- Construction anticipated 2023

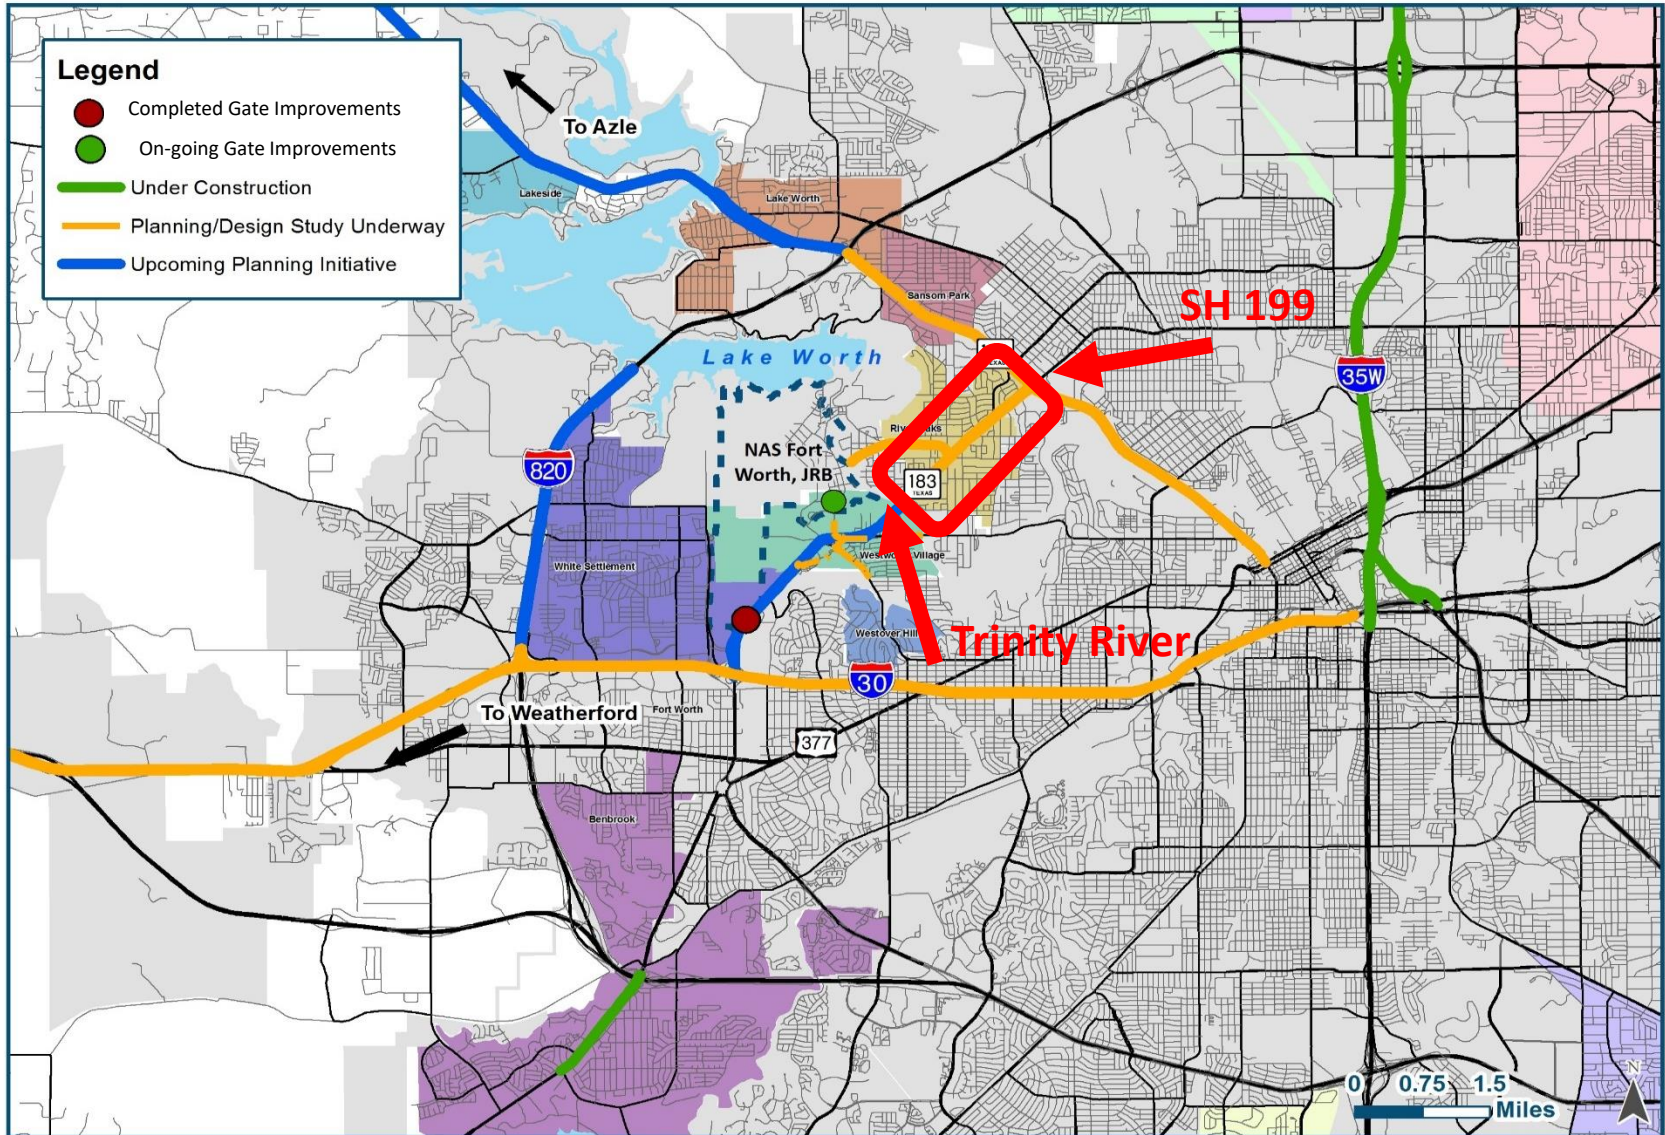

# State Highway 183

River Oaks/Westworth/Alta Mere Boulevard

# PHASE ONE (COMPLETE): RIVER OAKS BLVD CORRIDOR MASTER PLAN

# RIVER OAKS BLVD CORRIDOR MASTER PLAN

## Key Elements from the Plan

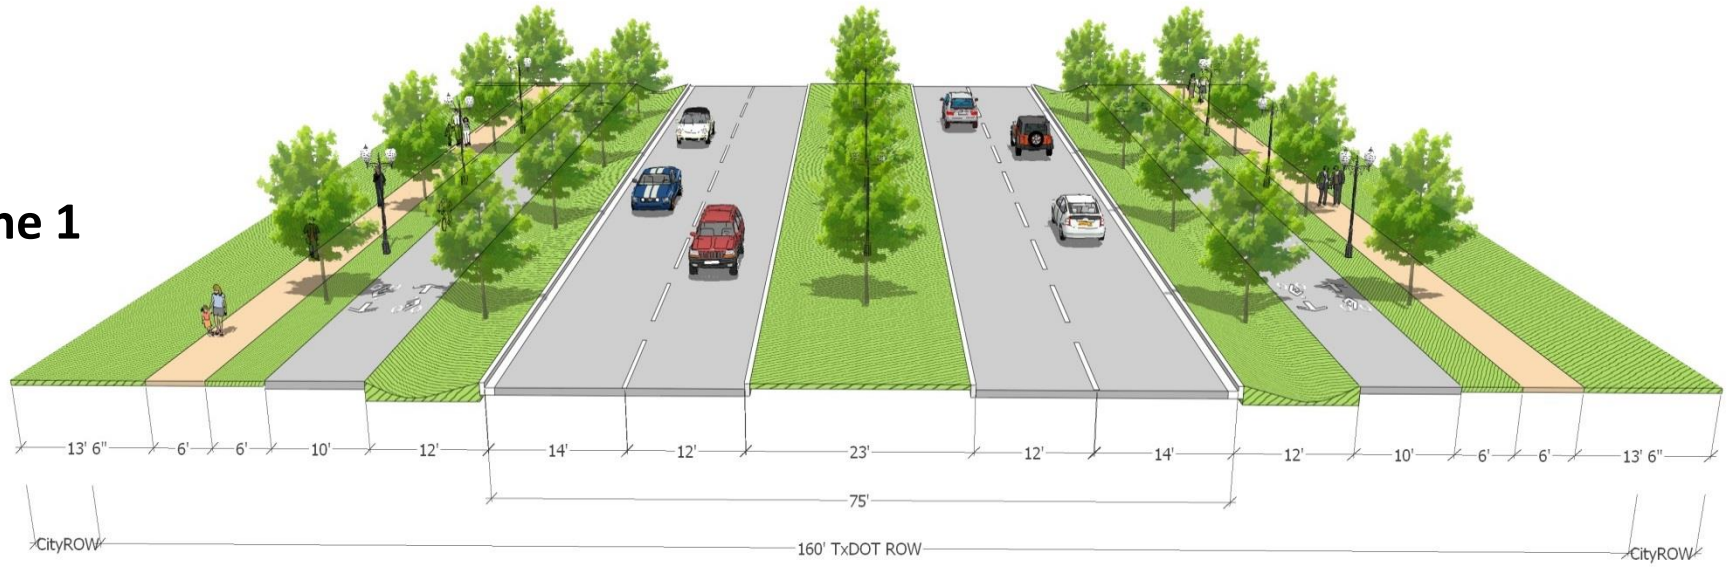

- Corridor vision
- Preliminary streetscape concepts
- Form-based zoning strategies
- Implementation costs

## Substantial Community Involvement

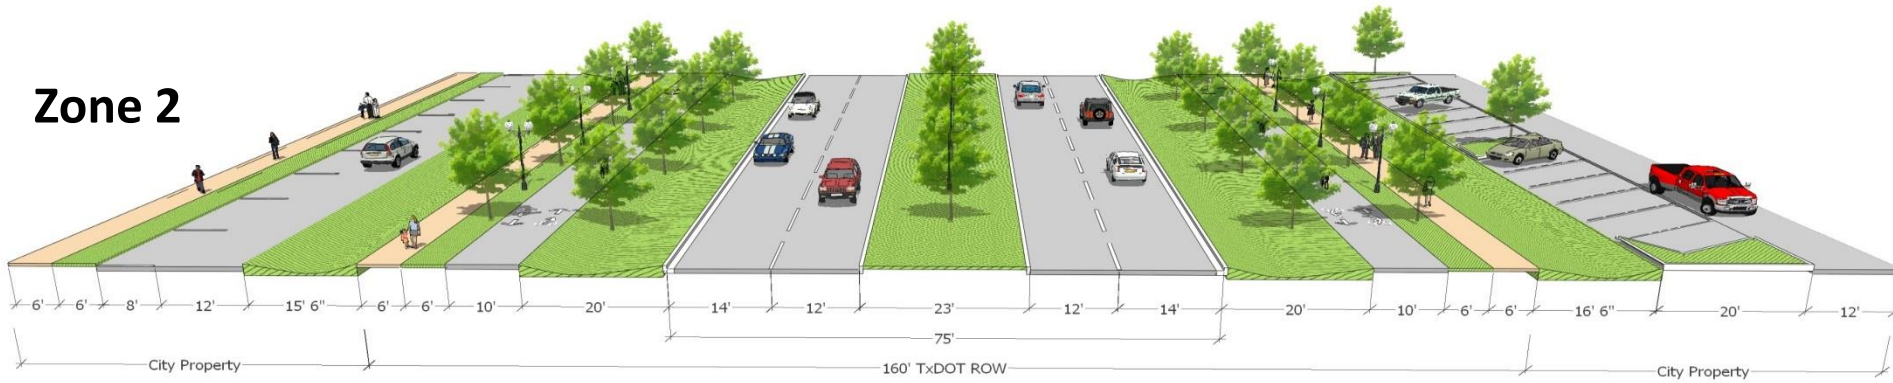

- Stakeholder meeting
- Four community meetings
  - Approximately 80-100 attendees at each community meeting

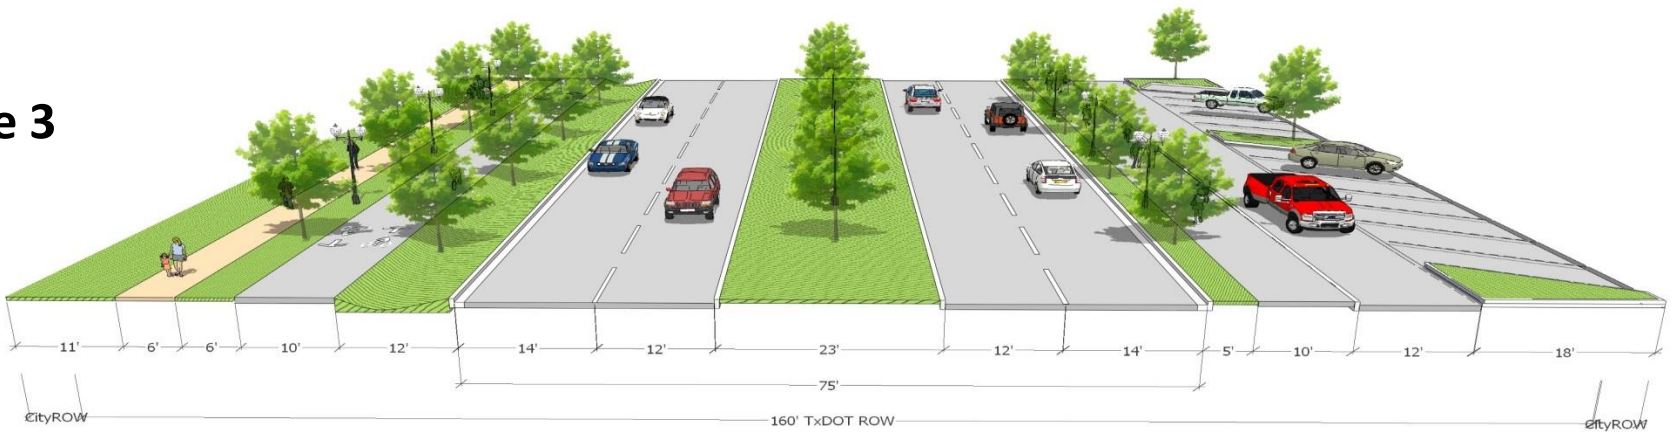

# Zone 1

# Zone 2

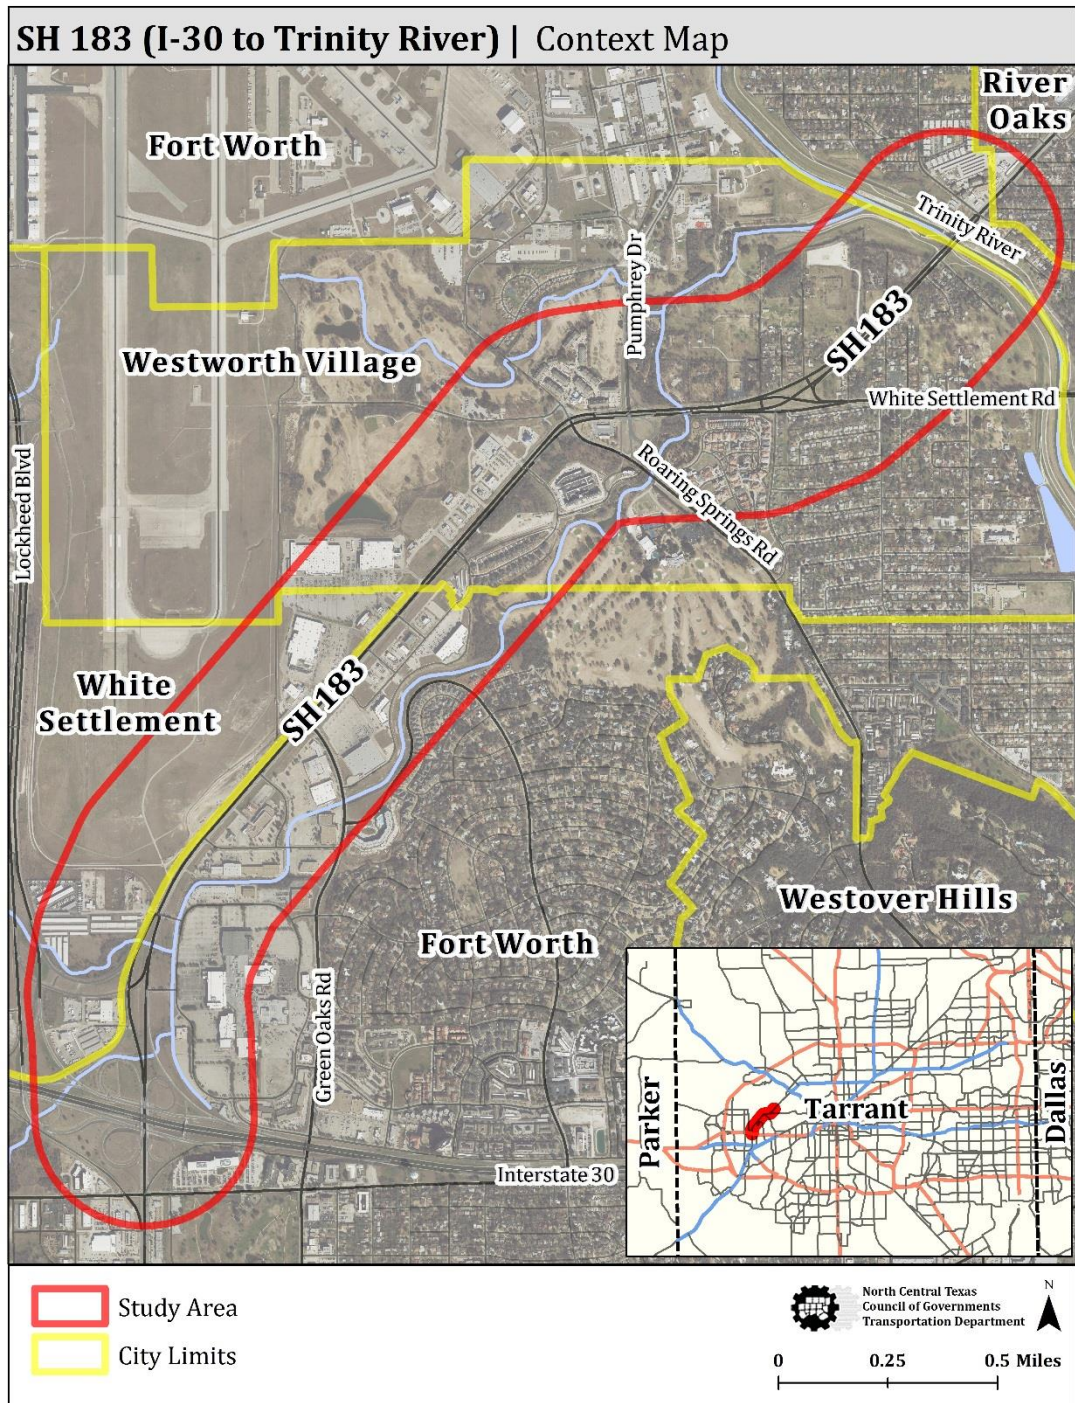

# Zone 3

# SH 183 Phase 2

- SH 183  
(Westworth Blvd/Alta Mere Blvd) Between I-30 on the South and the Trinity River on the North

# White Settlement Rd. Intersection – Existing

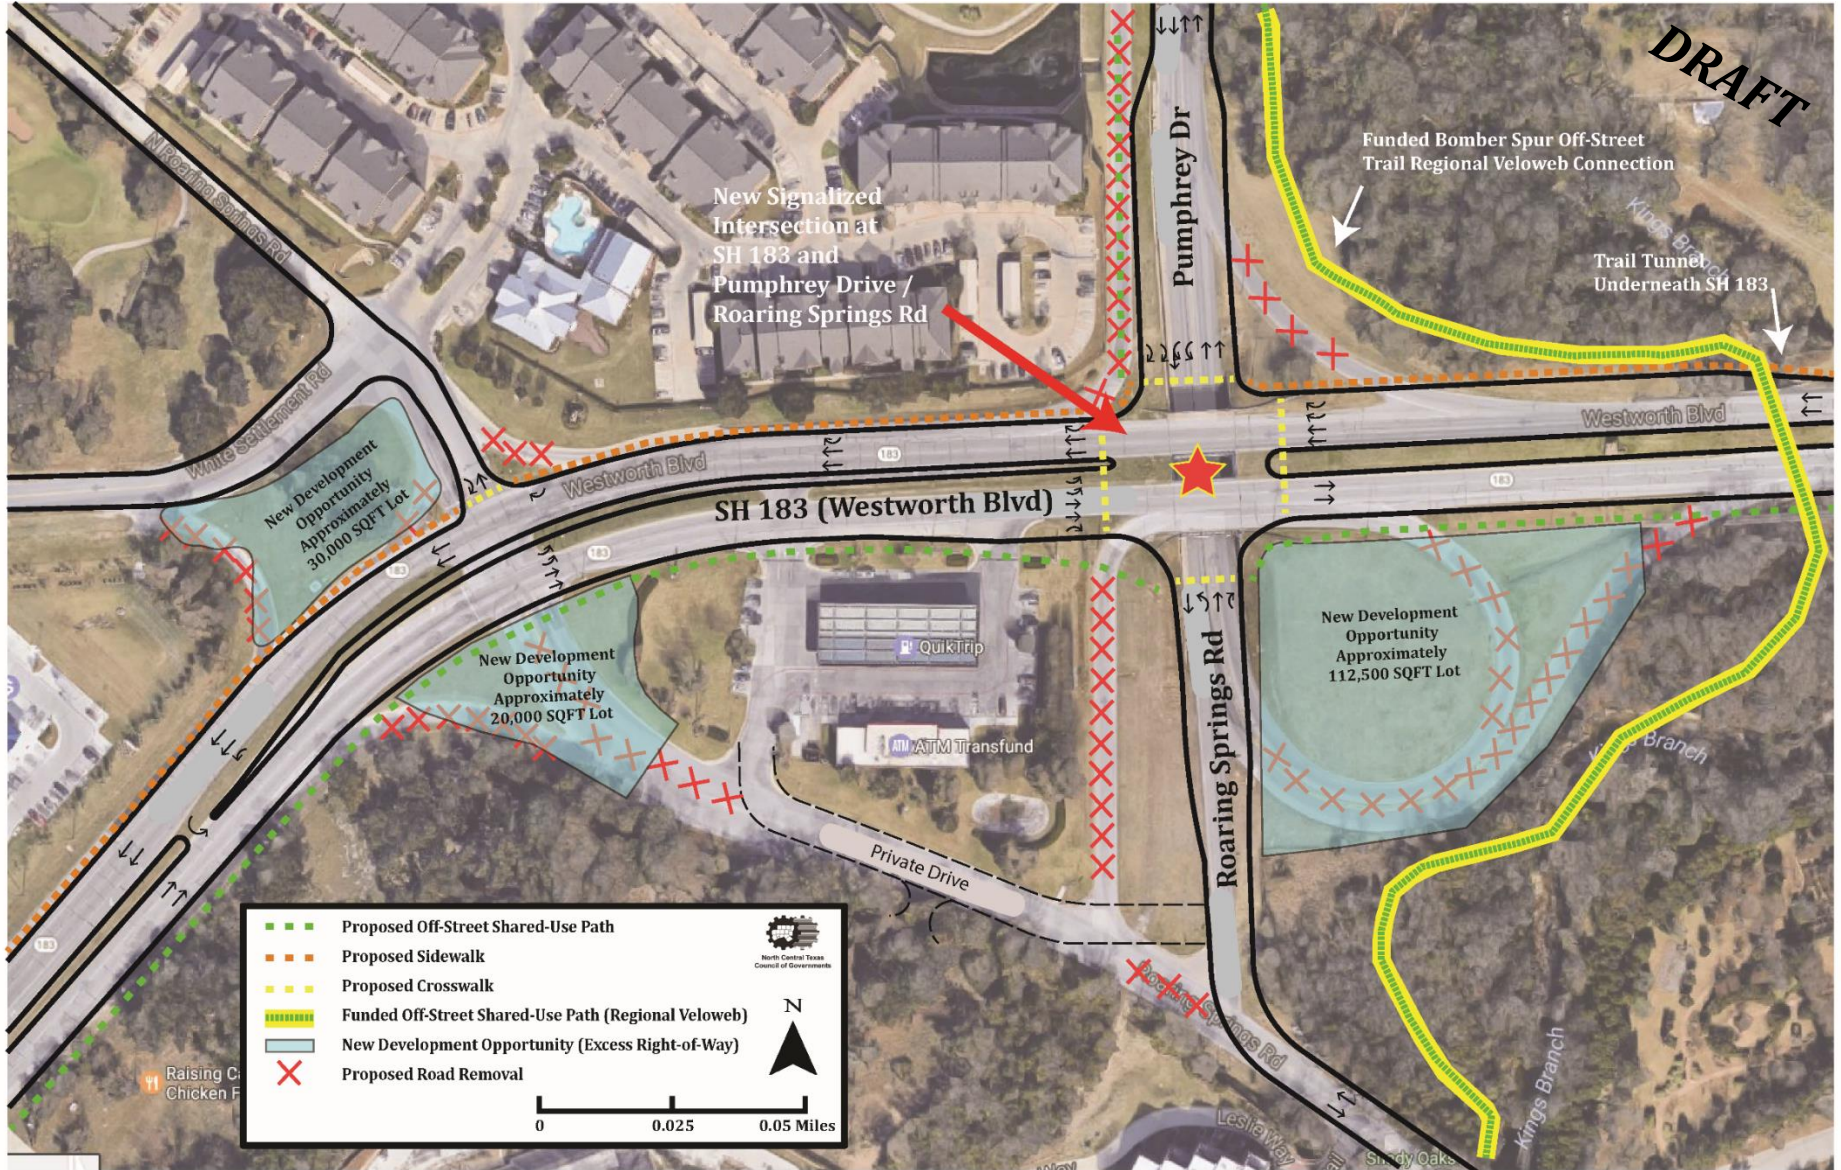

# Pumphrey Drive Intersection – Existing

# Pumphrey Drive Intersection Design Option

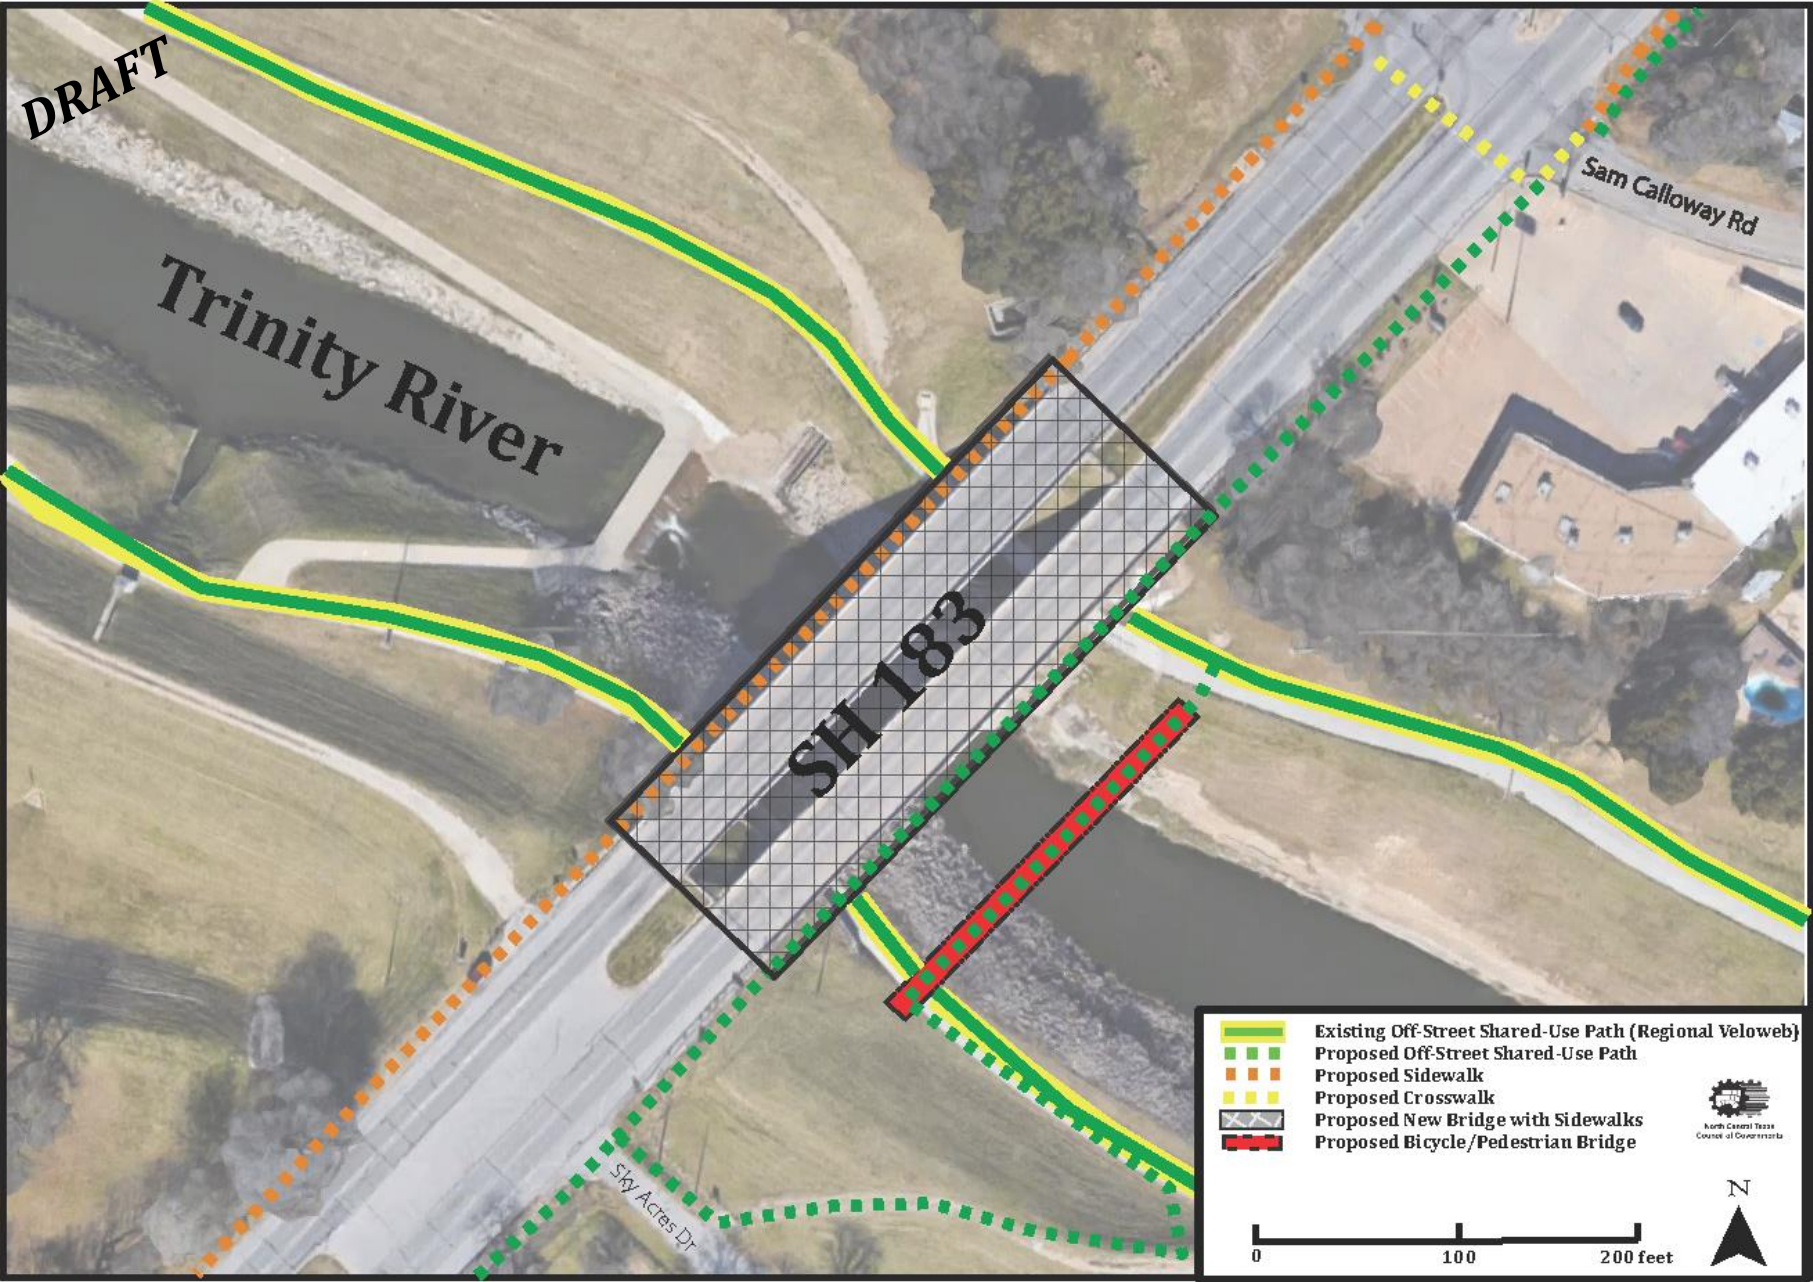

# Trinity River Crossing And Trail Access – Existing

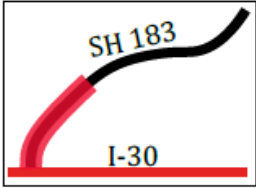

# Trinity River Crossing And Trail Access Design Option

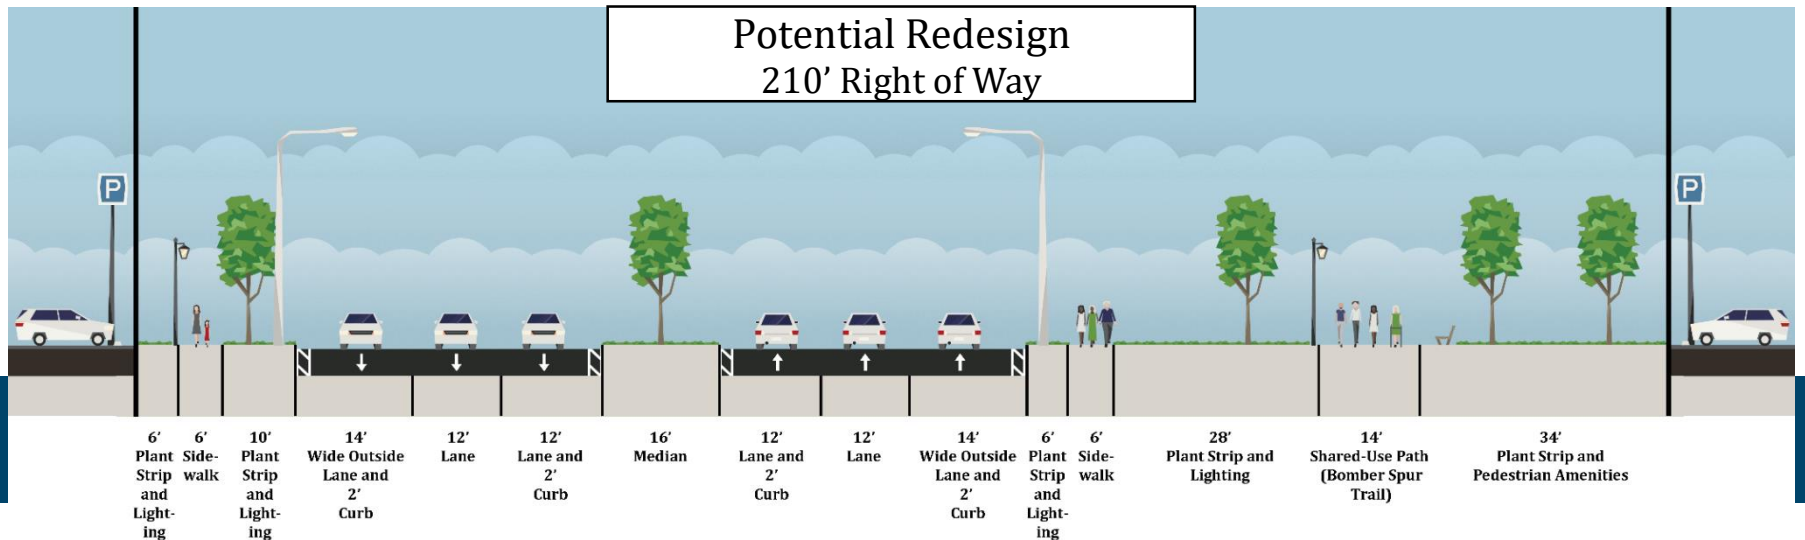

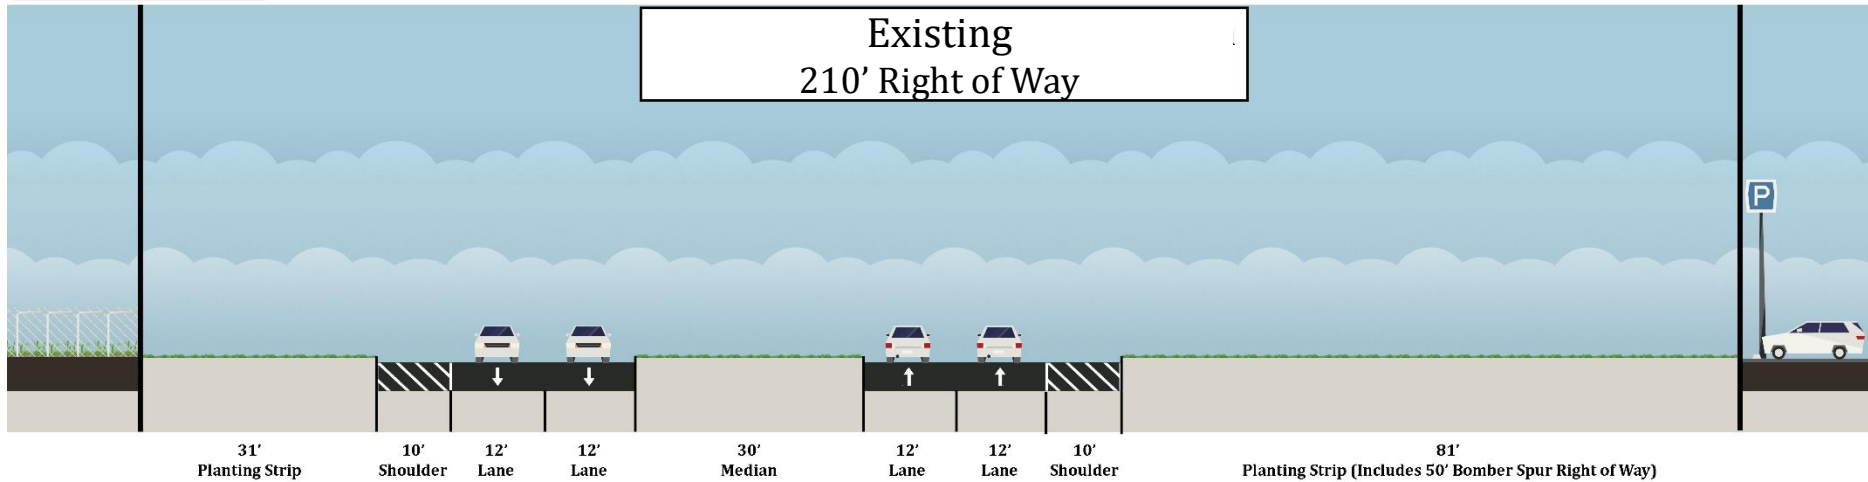

# Commerce Zone Cross Section Linear Park Concept

## SH 183 Commerce Zone (I-30 to Sherry Lane)

DRAFT

# Boulevard Linear Park Concept

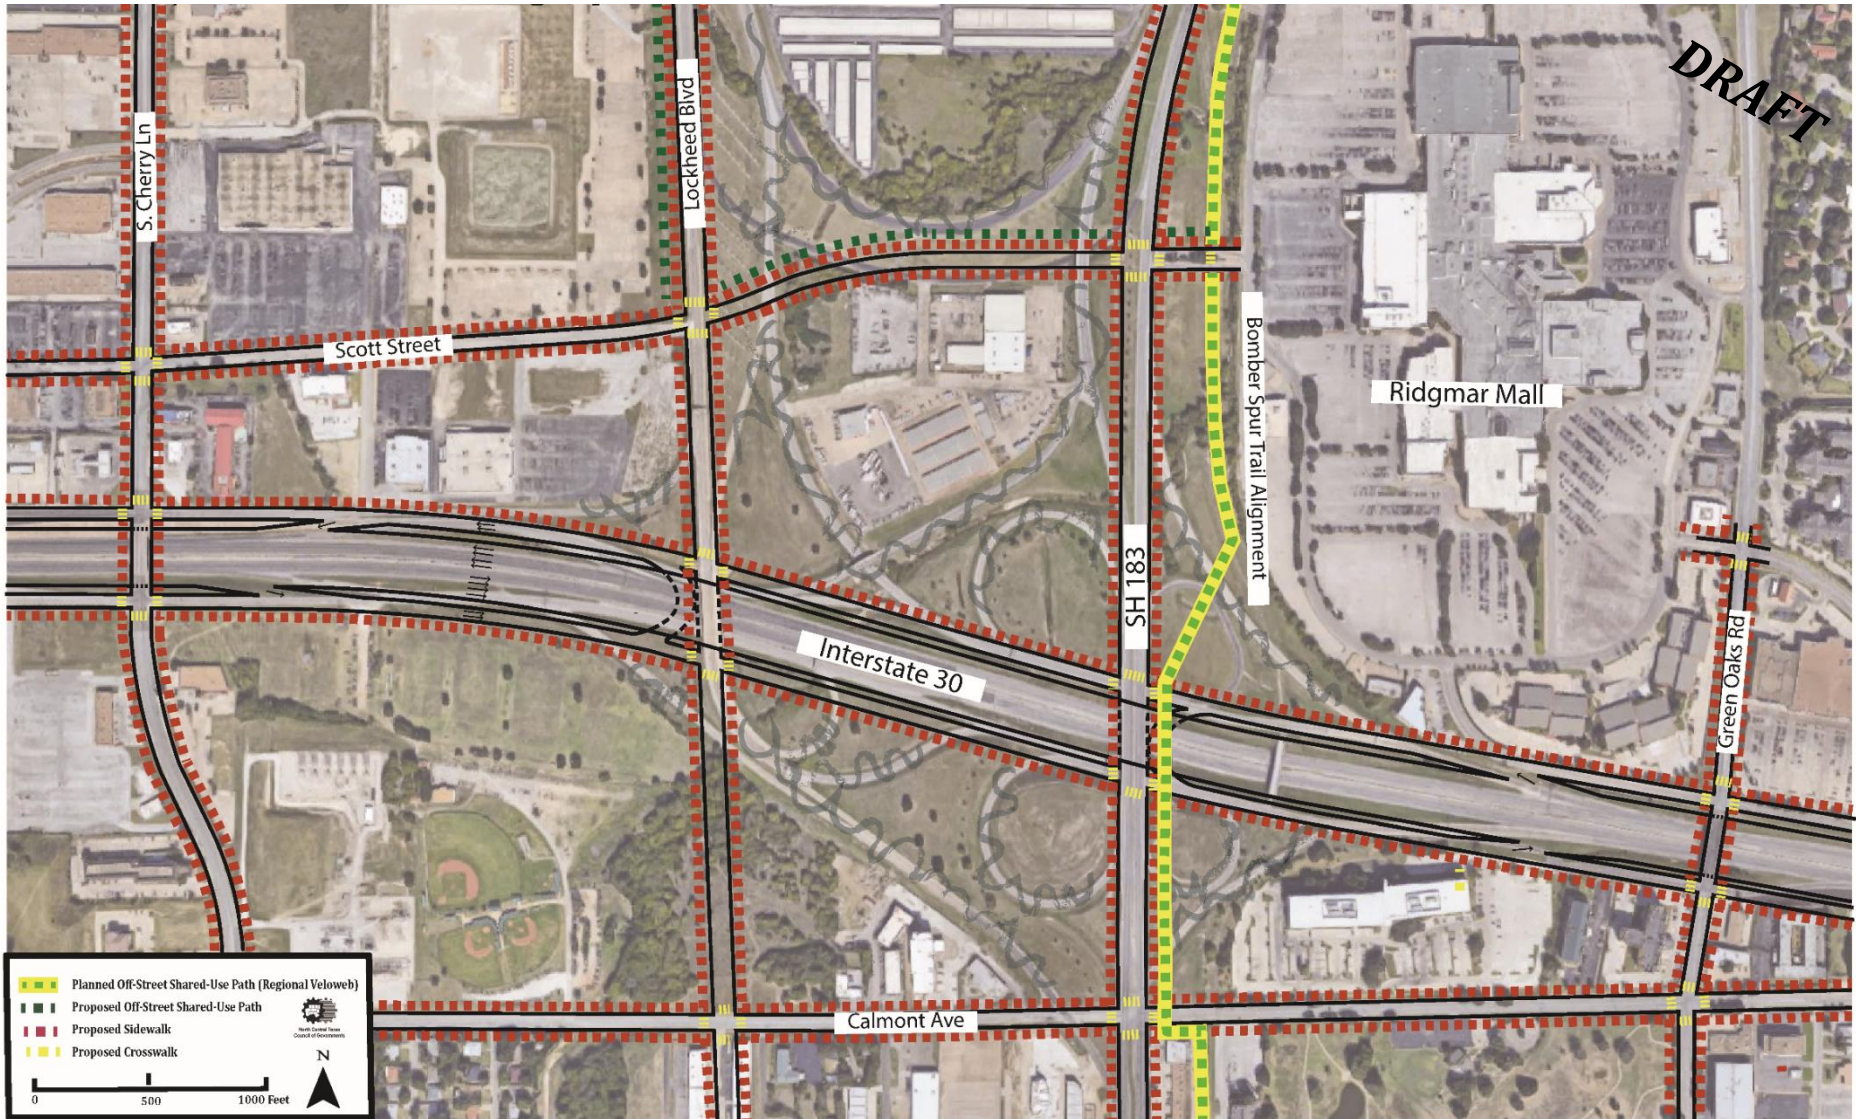

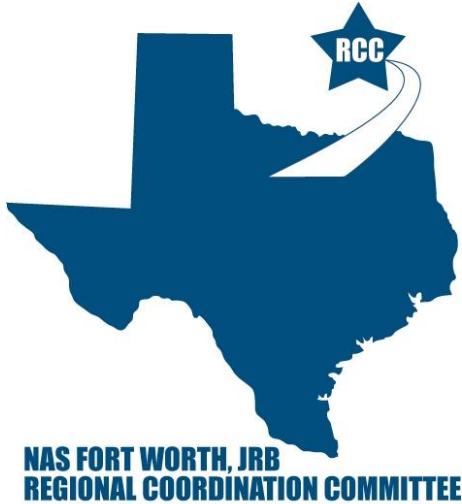

# SH 183 / I-30 Interchange – Existing

# SH 183 / I-30 Interchange Design Option

## **Item 5**

# **Update on Governor's Committee to Support the Military**

**NAS Fort Worth JRB Regional Coordination Committee  
February 7, 2019**

# Governor's Committee to Support the Military

- The Governor's Committee to Support the Military was established in September 2018.
- The Committee is comprised of up to 22 individuals including Texas-resident veterans, community leaders, and business leaders.
- The Committee released their 2018 report that highlights recommendations for policy changes and legislative action.
- The Committee's report includes thirteen recommendations to improve upon education, health care, quality of life, workforce development, encroachment, and infrastructure as they relate to the military community of Texas.
- The Committee's recommendations also include input from the Auxiliary Military Spouse Task Force, which includes up to 7 military spouses appointed by the Governor to specifically study and make recommendations related to quality of life issues.

# Committee's Responsibilities

- Study and make recommendations on how best to maintain and enhance military value at existing military installations in Texas
- Study and make recommendations on how best to make Texas a more attractive destination for additional military missions
- Collaborate with local governments and chambers of commerce to explore surrounding civilian infrastructure and identify competing and complementary needs between private development, the rights of private landowners, and military necessities
- Examine the 2005 criteria used by the Base Realignment and Closure Commission and identify strategies to avoid future base closures
- Coordinate with the Texas Military Preparedness Commission and Texas Military Values Task Force

# Committee's Recommendations

- 1. Licensure/Certification Transfer and Acceptance for Military Spouses and Teacher Certifications:** Streamline the process for all professional licenses and certifications through comprehensive licensing and certification reform.
- 2. Early Enrollment in School for Children of Service Members:** Change current law to allow for advance enrollment of a child who is a dependent of a member of the military upon receipt of valid military orders assigning them to a nearby military installation.
- 3. TEA Military Webpage:** TEA should prominently display a link to its Military Family Resources page on its homepage and be incorporated into any type of central online repository for military families.
- 4. Military Child Education Coalition:** Add the current \$500,000 biennium funding for the Military Child Education Coalition to TEA's base appropriation request.

# Committee's Recommendations

- 5. Defense Manpower Data Center (DMDC):** Work with federal partners to encourage data sharing between the Defense Manpower Data Center and the Texas Education Agency.
- 6. Interstate Compact on Educational Opportunity for Military Children:** Amend Chapter 162 of the Texas Education Code to allow for the establishment of a state council for the Military Compact and incorporate input from military families and best practices from other states in determining who should be a member of the council.
- 7. Connecting Veterans and Active Duty Personnel to Services:** TXServes should be expanded in communities across the state to achieve as much coverage as possible utilizing their web-based case management system. Such a system would help make Texas a national model for service delivery to our military members, military families, and veterans.

# Committee's Recommendations

8. **Mitigate the Impact of Lost Property Tax Revenue Due to the Disabled Veterans Residence Homestead Exemption:** Eligibility for this program should expand to include counties with a military installation, the cities in that county, and cities in an adjacent county so as to provide reimbursement for cities near the installation, but not contiguous to the installation. The Legislature should also fully fund the program to allow for eligible cities to be reimbursed for 100% of lost revenue.
9. **Encourage Advanced Manufacturing and Technology Certification and Degree Programs:** Implement several incentives and directives to invest in programs and working groups that address rapidly changing workforce demands.
10. **Create a Central Online Repository for Information Related to Military Families:** Create a central online repository for information that is specific to the military and their families. This should include but is not limited to information related to any assistance, waivers, and programs the state provides as it relates to occupational and professional licenses, education, and healthcare.

# Committee's Recommendations

- 11. Interagency Contracts between TXDOT and the Military:** Legislative changes should be enacted which allow for TxDOT to enter into interagency agreements or contracts with military installations for the maintenance, improvement, relocation, or extension of existing roads. These services should be paid for with federal funds.
- 12. Defense Economic Adjustment Assistance Grant (DEAAG) Program:** Fully fund the DEAAG program to help protect military installations in Texas from potential negative impacts of BRAC.
- 13. Encroachment on Military Training:** Legislation or policy changes should be considered which strengthens the state's protections against encroachment, including commercial development. This includes adding prohibitions against 313 subsidies that may impact rotary-wing aviation training areas and military training routes located outside military installation boundaries.

## Item 6

# Joint Land Use Study Implementation Grant Update

NAS Fort Worth JRB Regional Coordination Committee  
February 7, 2019

# OVERVIEW

- Joining Forces study completed in 2018
- Over 150 strategies identified, both regional and installation-specific
- JLUS Implementation Grant to be sought from Department of Defense, will require local match
- Need to confirm need and prioritization of implementation activities and identify implementing entity for each activity
- **OEA Guidance: Need to connect to added value to DoD, no other resources for grant funds being requested, connect back to original JLUS grant issues to be addressed – average amount \$200,000 over 18-24 months**

## **Item 7**

# **NAS Fort Worth JRB Update**

**NAS Fort Worth JRB Regional Coordination Committee  
February 7, 2019**

# Naval Air Station Fort Worth Joint Reserve Base RCC Updates 7 Feb 2019

Presented by:

Captain Jon Townsend, Commanding Officer

# Key Points

- Drone sighting over NAS
- Air Field lighting
- Texas Military Summit
- Cowtown BBQ & Farmers Market
- Gander Flagpole encroachment
- DEAAG - Looking ahead
- *Growing Base Business* ~ space available
- Texas Army Air Guard ~ H-47

# UAS Sighting

# Key Points

- **NAS FW Base is a No Drone Zone**
  - *Can hobbyist fly in surrounding neighboring communities?* YES ~ but federal/state/local rules apply.
  - ***Hobbyist:*** Flights within 5 miles of airports must notify nearby air operations center.
- **All flights; hobbyist/commercial in our RCC areas should notify NAS tower.**
  - Follow altitudes per FAA requirements
  - <http://knowbeforeyoufly.org/>
