December 14, 2016

Mr. Nick Page
MPO Coordinator
Texas Department of Transportation
Transportation Planning and Programming Division
118 E Riverside Drive
Austin, TX 78704

Dear Mr. Page

Enclosed is the Fiscal Year (FY) 2016 Annual Project Listing for the Dallas-Fort Worth Metropolitan Planning Organization (MPO), which consists of the attachments listed below:

- Attachment 1 – Texas Department of Transportation (TxDOT) Dallas District Roadway
- Attachment 2 – TxDOT Dallas District Bicycle and Pedestrian
- Attachment 3 – TxDOT Dallas District Grouped
- Attachment 4 – TxDOT Dallas District Transit
- Attachment 5 – TxDOT Fort Worth District Roadway
- Attachment 6 – TxDOT Fort Worth District Bicycle and Pedestrian
- Attachment 7 – TxDOT Fort Worth District Grouped
- Attachment 8 – TxDOT Fort Worth District Transit
- Attachment 9 – TxDOT Paris District Roadway
- Attachment 10 – TxDOT Paris District Bicycle and Pedestrian
- Attachment 11 – TxDOT Paris District Grouped

The project information included in the highway listings was obtained from each of the TxDOT districts, and then compiled by MPO staff. The sources of information used in the roadway, bicycle and pedestrian, and the grouped listings are Federal Project Agreement and Authorizations (FPAA's), monthly TxDOT reports of federal obligations for MPO selected funding Categories, and TxDOT's Design and Construction Information System (DCIS). The obligation amounts presented may include construction engineering and contingency costs, which are not included in programmed amounts.

The listings for transit projects were compiled using the Federal Transit Administration Transit Award and Management System (TrAMS). Transit transfers may be included in the roadway section of the annual project listing, since the source of that funding is the Federal Highway Administration and those projects are listed in the roadway section of the Transportation Improvement Program.
