ADMINISTRATIVE REVISIONS TO MOBILITY 2045: THE METROPOLITAN TRANSPORTATION PLAN FOR NORTH CENTRAL TEXAS

Revisions based on NCTCOG review, public comments, and conformity partner comments.

March 2020

Mobility 2045 March 2020 Project Listing Corrections

Appendix E: Mobility Options, Page 344

IH 30 at Erby Campbell Blvd (IN1-28.550.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Appendix E: Mobility Options, Page 345

US 287 at Ensign Road (IN1-1.560.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Appendix E: Mobility Options, Page 346

US 380 at State Loop 288 (IN1-2.100.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Appendix E: Mobility Options, Page 346

US 67 at Lakeridge Pkwy (IN1-38.598.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Appendix E: Mobility Options, Page 347

SH 199 at Hanger Cut-Off Road (IN1-14.571.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Appendix E: Mobility Options, Page 347

SH 199 at Nine Mile Azle Road (IN1-14.572.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Appendix E: Mobility Options, Page 347

SH 199 at Western Center (IN1-14.573.1)

Remove project from Interchange listing.

Conformity network coded and modeled correctly, consistent with revised report.

This revision is consistent with air quality conformity determination.

Updated listings will be posted online in accordance with NCTCOG's Public Participation Plan as part of the final public notification process for Mobility 2045.
