# CLIDE

Celebrating Leadership In Development Excellence  
*Awards 2023*

Applications accepted February 1– March 1, 2023

[www.developmentexcellence.com](http://www.developmentexcellence.com)

The Celebrating Leadership in Development Excellence (CLIDE) Awards honor development and planning projects that exemplify the region's Principles of Development Excellence which outline a vision for sustainable, livable communities in North Texas. The North Central Texas Council of Governments (NCTCOG) is looking for projects and programs in North Texas that exemplify these principles.

Applications accepted February 1– March 1, 2023

# Categories for Submittal

## **New Development**

Recognizes developments that are constructed on previously undeveloped sites and successfully exemplify many of the Principles of Development Excellence.

## **Redevelopment**

Recognizes those developments that reuse and/or rebuild existing structures and successfully exemplify many of the Principles of Development Excellence.

## **Special Development**

Recognizes projects that exemplify only a limited number (one or two) of the Principles of Development Excellence, but which are outstanding in their promotion of those selected principles. Projects that exemplify the Environmental Stewardship principle may be highlighted here. Examples include but are not limited to a sustainable infrastructure project, an energy conservation initiative, an open space or trail project, or a stormwater best management practice (BMP) such as low-impact development (LID).

## **Raising Public Awareness**

Recognizes an organization and/or individual for educating the public or raising awareness of development excellence. Examples include but are not limited to a media outlet in the North Central Texas region for a story or series or an organization or local government for a public education campaign.

## **Public Policy and Planning**

Recognizes a local government or private/public partnership for implementing a program or policy that facilitates and promotes various aspects of the Principles of Development Excellence. Examples include but are not limited to adopted policies, programs, ordinances, and guidelines (mixed use, open space, natural features protection, public space, historic preservation, design standards, or incentives) that can include a public/private initiative as well as comprehensive, neighborhood, area, or strategic plans.
