# TRANSPORTATION PUBLIC MEETING

MAR. 13 · NOON · 616 SIX FLAGS DR. ARLINGTON, TX

# **PRESENTATIONS**

# Federal and Local Partnerships with Dallas Area Rapid Transit (DART) and City of Dallas

In recent months, NCTCOG staff has been working with DART and the City of Dallas on two funding partnerships intended to increase the amount of local funding available to the Regional Transportation Council to expedite projects and programs. Details of these partnerships will be presented.

# **COVID-19 Infrastructure Program Transit Partnership (Round 2)**

In November 2020, the Regional Transportation Council (RTC) approved \$25 million in federal transportation funding to be utilized for transit across the region. In March 2021, \$14 million of that funding was approved for specific improvements. Details of the program and the projects being proposed for the remaining funds will be presented.

## **State Implementation Plan and Section 185 Requirements**

As a result of the recent reclassifications of the Dallas-Fort Worth nonattainment area, upcoming State Implementation Plan (SIP) adoption by TCEQ will occur in April of 2024 for the 2008 standard, and November of 2023 for the 2015 standard. With the 2008 ozone standard's change from "Serious" to "Severe," the region may become subject to a federally required stationary source fee program. If the region fails to attain the 2008 ozone by the end of 2026, the annual fee program could be implemented as early as 2028.
