

**FY20 GRANT CYCLE - GENERAL VICTIM ASSISTANCE (GVA) PROJECT STATUS INFORMATION**

**NOTE: Per OOG-CJD, COGs will not score/prioritize Transitional Housing projects, Campus Initiative projects, First Responder Mental Health projects or Sexual Assault Forensic Services Initiative projects. If your agency is submitting any of these types of project, you are not required to attend a GVA grant application workshop. However, if your agency has a project listed on page 2 or 3 below, attendance is required.**

**Projects in this section started a 24-month "continuation" grant cycle on 10-1-18. These agencies may NOT apply in FY20 for the same services within their currently-funded GVA continuation project.**

**Agencies may, however, apply for a new and distinctly different GVA project - FY20 workshop attendance is mandatory and the new project will be scored.**

**Agencies with a project(s) in this section DO NOT need to attend an FY20 GVA workshop unless they are submitting a new and distinctly different GVA project.**
