

Office of the Governor, Public Safety Office Criminal Justice Division Funding Announcement: *Juvenile Justice Grant Program, FY2020*

Purpose

The purpose of this announcement is to solicit applications for projects that prevent violence in and around schools; and to improve the juvenile justice system and develop effective education, training, prevention, diversion, treatment, and rehabilitation programs.

Following the tragic school shooting in Santa Fe, there has been a robust statewide effort to prioritize the safety of all Texas students. CJD is highlighting the need to prevent security threats in advance through prevention and intervention with at-risk youth. Projects geared towards school safety will be given priority under this announcement.

Available Funding

Federal Funds are authorized under 34 U.S.C. 11131 Juvenile Justice and Delinquency Prevention, Federal Assistance for State and Local Programs. Funds are made available through a Congressional appropriation to the U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP). All awards are subject to the availability of appropriated federal funds and any modifications or additional requirements that may be imposed by law.

Eligible Organizations

Applications may be submitted by state agencies, public and private institutions of higher education, independent school districts, Native American tribes, councils of governments, non-profit corporations (including hospitals and faith-based organizations), and units of local government, which are defined as a non-statewide governmental body with the authority to establish a budget and impose taxes.

All applications submitted by local law enforcement agencies/offices must be submitted by a unit of government affiliated with the agency, including an authorizing resolution from that unit of government. For example, police departments must apply under their municipal government, and community supervision and corrections departments, district attorneys, and judicial districts must apply through their affiliated county government (or one of the counties, in the case of agencies that serve more than one county).

Juvenile specialty courts authorized under Chp. 121 of the Texas Government Code are not eligible to apply under this announcement.

Juvenile Case Managers as defined in Art. 45.056 of the Code of Criminal Procedure are not eligible to apply under this announcement.

Application Process

Applicants must access the PSO's eGrants grant management website at <https://eGrants.gov.texas.gov> to register and apply for funding. For more instructions and information, see *Developing a Good Project Narrative Guide*, available [here](#).

Eligible Purpose Areas

Aftercare/Reentry. Community-based programs that prepare targeted youth to successfully return to their homes and communities after secure confinement. These programs focus on preparing youth offenders for release and providing a continuum of follow up post-placement services to promote successful reintegration into the community.

Child Abuse and Neglect Programs. Programs that provide treatment to juvenile offenders who are victims of child abuse or neglect and to their families to reduce the likelihood that such youth offenders will commit subsequent violations of law.

Community-Based Programs and Services. These programs and services are those that work pre- and post-confinement with: a) parents and other family members to strengthen families to help keep youth in their homes; b) youth during confinement and their families to ensure safe return of youth home and to strengthen the families; and c) parents with limited English-speaking ability.

Delinquency Prevention. Comprehensive juvenile justice and delinquency prevention programs that meet needs of youth through collaboration of the many local systems before which a youth may appear, including schools, courts, law enforcement agencies, child protection agencies, mental health agencies, welfare services, health care agencies and private nonprofit agencies offering youth services.

Disproportionate Minority Contact. Programs, research, or other initiatives primarily to address situations where there are a disproportionate number of people from one or more minority groups coming into contact with the juvenile justice system.

Diversion. Programs to divert youth from entering the juvenile justice system including restorative justice programs.

Job Training. Projects to enhance the employability of youth or prepare them for future employment. Such programs may include job readiness training, apprenticeships, and job referrals.

Mental Health Services. Programs providing mental health services for youth in custody in need of such services including, but are not limited to assessment, development of individualized treatment plans, and discharge plans.

School Programs. Education programs or supportive services in traditional public schools and detention/corrections education settings to encourage youth to remain in school; or alternative learning programs to support transition to work and self-sufficiency, and to enhance coordination between correctional programs and youth's local education programs to ensure the instruction they receive outside school is aligned with that provided in their schools, and that any identified learning problems are communicated.

Program Specific Requirements

Local Government and Public Institution of Higher Education Certification of Compliance with 8 U.S.C. 1373. Applicants must upload a Certification of Compliance with 8 U.S.C. § 1373 signed by the Chief Legal Officer. Certification must be uploaded onto the Upload.Files Tab prior to the submission and certification of eGrants application. Links to applicable certification provided below:

Eligibility Requirements

1. Entities receiving funds from CJD must be located in a county that has an average of 90% or above on both adult and juvenile dispositions entered into the computerized criminal history database maintained by the Texas Department of Public Safety (DPS) as directed in the Texas Code of Criminal Procedure, Chapter 60. The disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.
2. Eligible applicants operating a law enforcement agency must be current on reporting Part I violent crime data to the Texas Department of Public Safety (DPS) for inclusion in the annual

Uniform Crime Report (UCR). To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year.

3. The Texas Department of Public Safety (DPS) has established a goal set by the Texas Legislature for all local law enforcement agencies to implement and report crime statistics data by using the requirements of the National Incident-Based Reporting System (NIBRS) no later than September 1, 2019. Additionally, the Federal Bureau of Investigations (FBI) will collect required crime statistics solely through the NIBRS starting January 1, 2021. Due to these upcoming state and federal deadlines, grantees are advised that eligibility for future grant funding may be tied to compliance with NIBRS. Financial grant assistance for transitioning to NIBRS may be available for your jurisdiction from the Criminal Justice Division (CJD).
4. Local units of government, including cities, counties and other general purpose political subdivisions, as appropriate, and institutions of higher education that operate a law enforcement agency, must comply with all aspects of the programs and procedures utilized by the U.S. Department of Homeland Security (“DHS”) to: (1) notify DHS of all information requested by DHS related to illegal aliens in Agency’s custody; and (2) detain such illegal aliens in accordance with requests by DHS. Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3). Lastly, eligible applicants must comply with all provisions, policies, and penalties found in Chapter 752, Subchapter C of the Texas Government Code.

Each local unit of government, and institution of higher education that operates a law enforcement agency, must download, complete and then upload into eGrants the [CEO/Law Enforcement Certifications and Assurances Form](#) certifying compliance with federal and state immigration enforcement requirements. This Form is required for each application submitted to OOG and is active until August 31, 2021 or the end of the grant period, whichever is later.

5. Eligible applicants must have a DUNS (Data Universal Numbering System) number assigned to its agency (to request a DUNS number, go to <https://fedgov.dnb.com/webform>).
6. Eligible applicants must be registered in the federal System for Award Management (SAM) database located at <https://sam.gov/>.

Failure to comply with program eligibility requirements may cause funds to be withheld and/or suspension or termination of grant funds.

Prohibitions

Grant funds may not be used to support the unallowable costs listed in the [Guide to Grants](#) or any of the following unallowable costs:

1. Construction, renovation, or remodeling;
2. Medical services;
3. Law enforcement equipment that is standard department issue;

4. Transportation, lodging, per diem or any related costs for participants, when grant funds are used to develop and conduct training; and
5. Any other prohibition imposed by federal, state or local law or regulation.

Selection Process

Application Screening: CJD will screen all applications to ensure that they meet the requirements included in the funding announcement. Applications that meet those requirements will move forward to the merit review phase.

Peer/Merit Review – Local Projects: Projects with a local impact will be reviewed by a panel appointed by the local Council of Governments using their own criteria. The merit review panels will assess the applications for quality and rank by priority, and then report their findings to the CJD executive director. Applicants must contact their applicable regional Council of Governments (COG). Each of Texas' 24 COGs holds its own application planning workshops, workgroups, and/or subcommittees and facilitates application prioritization for certain programs within its region. Failure to comply with regional requirements imposed by the COG may render an application ineligible.

Merit Review – Statewide Projects: Projects with a statewide impact will be reviewed by a panel appointed by the CJD executive director in an effort to prioritize funding. The merit review panel will assess and score each application on a 100-point scale, and then report its findings to the executive director. Scores will be based on standard criteria.

Final Decisions – All Projects: The executive director will consider rankings along with other factors and make all final funding decisions. Other factors may include cost effectiveness, overall funds availability, CJD or state government priorities and strategies, legislative directives, need, geographic distribution, balance of focuses and approaches, or other relevant factors.

CJD may not fund all applications or may only award part of the amount requested. In the event that funding requests exceed available funds, CJD may revise projects to address a more limited focus.
