Subject: May EPPC Update

Hello EPPC,

I hope everyone is taking proper precautions and staying well. Our staff is actively engaged in supporting the region and TDEM with the COVID response. Below is a brief update.

- Next meeting date correction
 - Thursday, August 20, 2020 – sorry for the confusion.
- Seat rotations
 - We will be seeking approval from the NCTCOG Executive Board to postpone any seat rotations for 1 year. This means that if you were scheduled to be up for re-nomination this year, you will now be seated until August of 2021 and those scheduled for rotation in 2021 will be August 2022.
 - If in the event you are no longer going to be on your city council through your new time frame we can discuss what options you have.
- Recovery Tabletop Documentation
 - At the February meeting it was mentioned that we would get you the Recovery Framework and documents from the January Tabletop Exercise. All of these documents can be found on our website at <https://www.nctcog.org/ep/resources/local-disaster-recovery-framework-and-toolkit>.
- Texas Emergency Management Conference – CANCELLED
 - If you were planning on attending this conference, please make sure you cancel any hotel rooms you may have booked. Registration never opened.

- National Homeland Security Conference – CANCELLED
 - If you were planning on attending this conference, please make sure you cancel any hotel rooms you may have booked. Full Refunds will be offered.

- EPPC Bylaw Updates
 - I will be working on update these over the next couple of months. We will be adding clarification on quorum and elections, electronic voting, and virtual meetings

Please contact me if you need anything.
