

To Whom It May Concern:

In partnership with the Resource Conservation Council (RCC), the North Central Texas Council of Governments (NCTCOG) would like to invite you to a Public Meeting for the 2018-2019 Solid Waste Regional Funding Plan (Funding Plan).

NCTCOG is designated by the Texas Commission on Environmental Quality (TCEQ) as the regional planning agency for municipal solid waste management in the 16-county North Central Texas region. A public meeting is scheduled to cover the Funding Plan that includes a pass-through grants program for solid waste activities. These grant project funds are passed through from TCEQ to all regional planning agencies.

Who should attend this public meeting?

Local governments, private solid waste service providers and recycling companies, and any interested stakeholders.

What will be covered at this public meeting?

Topics to be covered in this public meeting include the proposed Funding Plan, the upcoming Regional Materials Management Call for Projects, the process to address industry concern about grant projects, and more solid waste topics.

We encourage you to attend this public meeting to gain insight into our solid waste grant program and provide us feedback on the Funding Plan.

Please join us on:

Monday, October 9, 2017
NCTCOG's Regional Forum Room,
616 Six Flags Drive, Arlington, Texas 76005

For more information contact Cassidy Campbell at ccampbell@nctcog.org or (817) 608-2368.

We look forward to seeing you there!

Sincerely,

Cassidy Campbell
Senior Environment and Development Planner
