

**Order Deadline:**  
**December 6, 2019**

North Central Texas Council of Governments

### FY20 Cooperative Purchase Order Form

The Regional Stormwater Management Program continues to offer a cooperative purchase of several stormwater related items. See instructions and order form below for more details.

- **Estimated Cost per Unit:** The *estimated* costs per unit are based on total order quantity ranges and have been provided for guidance only; NCTCOG cannot guarantee the final price until all orders have been collected, tallied and placed with the vendors.
- **Additional Fees and Shipping:** In addition to the prices listed below, the final cost of your order may include shipping and handling costs, as well as applicable setup fees.
- **Final Cost:** NCTCOG will confirm your order, with any updated fees and final costs, within a set period of time prior to submitting the final order.
- **Delivery:** All items will be delivered directly to NCTCOG to verify correct receipt of product. Once items have been counted and verified, you will be notified of its availability for pick-up.
- **Payment:** You will be invoiced after your order is processed.
- **Regional Stormwater Program Participation:** If you have not yet signed a Commitment Response Form for the Regional Stormwater Program, you submit the form electronically here:  
[http://www.nctcog.org/envir/SEEclean/stormwater/Cost\\_Shares/Cost\\_Shares.asp](http://www.nctcog.org/envir/SEEclean/stormwater/Cost_Shares/Cost_Shares.asp)

**Submit your order form to Crysta Guzman via email ([cguzman@nctcog.org](mailto:cguzman@nctcog.org)).**

**Aluminum Curb Markers (8 to choose from)**

A.

B.

C.

D.

E.

F.

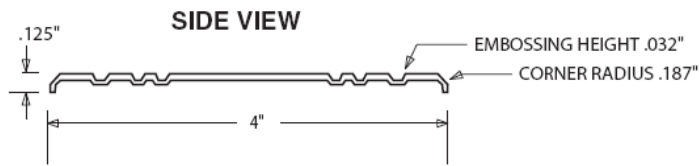

G.

H.

Details: Spanish versions cannot exceed 32 characters and are available for an additional cost.

### **Aluminum Curb Marker Adhesive**

**10.1 oz. tube** – To be used with a caulking gun. Great for larger jobs that will be completed within a shorter time frame.

### **Duracast Curb Markers (4 to choose from)**

Plastic disk with a clear, urethane UV-resistant cover. Application using adhesive requires no special equipment to install. Estimated product life expectancy is 2-5 years.

#### **A. Industrial**

#### **B. Residential**

#### **C. General v1**

#### **D. General v2**

Available in English and Spanish.

Indicate the version (A, B, C, or D) and language on the order form.

### **Duracast Curb Marker Adhesive**

**5 oz. squeeze tube** - Approximately 15 marker applications per 5 oz. tube. Recommended if you will have volunteers install the markers. Can be resealed after each application for future use (if sealed tightly). For use with Duracast Curb Markers.

**11 oz. tube** – To be used with a caulking gun. Great for larger jobs that will be completed within a shorter time frame.

### **Fat Trapper Bag**

This Range-Kleen fat trapper bag is intended for the disposal of used cooking oils/grease. Each bag holds 34 oz. of liquid and can withstand liquids up to 220°F. Updated in 2012, the bag is plastic and lays flat until propped open to pour grease in. Writing is in English and Spanish. *Note: These needed to be ordered by the box (500 in each box). If the total order is between boxes, you may be contacted about adjusting your order quantity.*

### **Fat Trapper Bag Container**

These containers hold the Range-Kleen fat trapper bag.

*Note: These may need to be ordered by the case. If we are between cases, you may be contacted about adjusting your order quantity.*
