Regional Transportation Public
Import Opportunity

TIP Code 12028.18 - Decrease in Federal and
Local funding for System Preventive Maintenance.

The amount of the decrease in this funding went
TIP 12846.18 - Various rail projects.

I notice that there is FY 18 funding
in TIP Code 12028.17 from FY 17.

I do not have information as to whether
the remaining funding in 12028.18 is
sufficient. I urge you to verify with DART staff to determine if
this is adequate funding. Preventive
maintenance is a key element for
transportation systems operations.
