Summary of Presentation

Work Program Modifications Handout:

The Unified Planning Work Program (UPWP) summarizes transportation activities for NCTCOG’s metropolitan planning area, which covers a 12-county region. The UPWP is divided into five major task areas: Administration and Management, Transportation Data Development and Maintenance, Short-Range Planning and Programming and Air Quality and Transit Operations, Metropolitan Transportation Plan, and Special Studies and System Operations.

The modifications included in this round of amendments address additional funding for Clean Cities outreach, a fleet workshop at the 2019 EarthX event, lease payments and operational costs for the Transportation Department vehicle and funding adjustments to support transit initiatives.

The Regional Transportation Council (RTC) will take action on the FY2018 and FY2019 UPWP modifications in February.

In response to the FY 2018 & FY 2019 Unified Planning Work Program for Regional Transportation Planning, it is refreshing that the Transportation Division of NCTCOG continues to support cleaner initiatives despite the reduction of Federal air pollution controls.
