Cotton Belt Trail Design Funding
In coordination with the DART Silver Line rail project, a 26-mile regional trail corridor is being designed and will be constructed in various phases. The corridor will run parallel to the Silver Line and connect seven cities across three counties from DFW Airport to Plano. Additional funding is needed in order to complete the design phase of this project. More information will be posted online for review.

Work Program Modifications
The Unified Planning Work Program (UPWP) for regional transportation planning provides a summary of the transportation and related air quality planning tasks to be conducted by the metropolitan planning organization. Proposed modifications to the FY2020 and FY2021 UPWP will be posted for review and comment.
