Executive Director
Texas Department of Transportation

Dear Mr. Behrens:

In our June 16, 2005 conformity determination for the North Central Texas Council of Governments 2025 Metropolitan Transportation Plan Amended April 2005 and FY 2004-2006 Transportation Improvement Program, we stated the determination restarted the three-year metropolitan plan update cycle. Contrary to that statement, the conformity determination did not restart the three-year metropolitan plan update cycle.

Please provide copies of this joint correction letter to the North Central Texas Council of Governments, Dallas Area Rapid Transit, Denton County Transportation Authority, the Fort Worth Transportation Authority, and the Texas Commission on Environmental Quality. We apologize for any confusion the error may have caused.

If you have any questions, please contact me at (512) 536-5940.

Sincerely yours,

Michael T. Leary
Director of Planning and Program Development
