Federal Highway Administration  
300 East Eighth Street, Suite 826  
Austin, Texas 78701

Attn: Barbara Maley

Dear Mr. Alonzi:

The Texas Department of Transportation (TXDOT) has reviewed the final Transportation Conformity determination for the Mobility 2045: The Metropolitan Transportation Plan (MTP), and the 2019-2022 Transportation Improvement Program for North Central Texas (2019-2022 TIP).

The North Central Texas Council of Governments serves as the metropolitan planning organization for the Dallas – Fort Worth – Arlington, Lewisville-Denton and McKinney urbanized areas acting through the Regional Transportation Council (RTC). The Metropolitan Planning Organization (MPO) along with TXDOT, reviewed, discussed and submitted responses to comments received from the Federal Highway Administration (FHWA) during the conformity review process.

Based on the information received through the review process, TXDOT in cooperation with the consultative partners has determined that the requirements for the plan and TIP have been met and find that transportation conformity has been demonstrated, pending concurrence from the Texas Commission on Environmental Quality.

Please accept this letter as the official submittal of the conformity findings on behalf of the State. Should you have any questions or concerns, please contact Peggy Thurin at (512) 486-5024.

Sincerely,

Peter Smith, P.E.  
Director, Transportation Planning and Programming
